9709 MATHEMATICS

9709/03	Paper 3 (Mechanics 1), maximum raw mark 50

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to assign marks. It does not indicate the basis of the discussions that took place at an Examiners' Meeting before the marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the "Principal Examiner Report for Teachers".

Cambridge will not enter into discussions about these mark schemes.

Cambridge is indicating the mark schemes for the May/June 2014 series for most Cambridge Advanced and Advanced Subsidiary Level components and some Ordinary Level components.
