## **L'homme Augment Face Au Droit:**

La Promotion de la Justice, Des Droits de L'homme Et Du Règlement Des Conflits Par Le Droit International Marcelo Gustavo Kohen, 2007 This Liber Amicorum is published at the occasion of Judge Lucius Caflisch's retirement from a distinguished teaching career at the Graduate Institute of International Studies of Geneva where he served as Professor of International Law for more than three decades and where he has also held the position of Director. It was written by his colleagues and friends from the European Court of Human Rights from universities all around the world from the Swiss Foreign Affairs Ministry and many other national and international institutions. The Liber Amicorum Lucius Caflisch covers different fields in which Judge Caflisch has excelled in his various capacities as scholar, representative of Switzerland in international conferences, legal adviser of the Swiss Foreign Affairs Ministry, counsel, registrar, arbitrator and judge. This collective work is divided into three main sections. The first section examines questions concerning human rights and international humanitarian law. The second section is devoted to the international law of spaces including matters regarding the law of the sea, international waterways, Antarctica and boundary and territorial issues. The third section addresses issues related to the peaceful settlement of disputes both generally and with regard to any particular means of settlement. The contributions are in both English and French. Droit International de L'environnement, Droit Humanitaire International, Droit International Privé A. C. Kiss, 1995 This is the Seventh volume of the Hague Yearbook of International Law which succeeds the Yearbook of the Association of Attenders and Alumni of the Hague Academy of International Law. The title Hague Yearbook of International Law reflects the close ties which have always existed between the AAA and the City of The Hague with its international law institutions and indicates the editors' intention to devote attention to developments taking place in those international law institutions viz the International Court of Justice, the International Criminal Tribunal for the Former Yugoslavia, the Permanent Court of Arbitration, the Iran United States Claims Tribunal and the Hague Conference on Private International Law. The Hague Yearbook contains in depth articles on these developments and summaries of aspects of decisions rendered by the International Court of Justice, the Permanent Court of Arbitration and the Iran United States Claims Tribunal. This volume also contains the papers of the Regional AAA Congress held in Siena, Italy in May 1994.
