Instructions

1. **Divide the Wheel:** Draw a large circle on a piece of paper and divide it into segments. Label each segment with an area of your life you want to focus on (e.g., Career, Health, Relationships, Finances, etc.).
2. **Rate Each Area:** Rate your current level of satisfaction or the amount of attention each area is currently receiving from 1 to 10, with 1 being the least satisfied or least attention and 10 being the most.
3. **Plot Your Ratings:** Draw a line across each segment at the point that corresponds to your rating for that area. This gives you a new "edge" to the wheel.
4. **Analyze the Wheel:** Take a good look at your completed wheel. Does it look balanced or are there areas that are lagging behind?
