*Liberty Risen* Thaddeus McCotter, 2014-11-15 In this Internet Age is the Grand Old Party over for the Republican Establishment If so what individuals and ideas will ascend to meet the moment and revitalize a party that is now viewed as more of an antiquated complaint than a transcendent cause In *Liberty Risen The Ultimate Triumph of Libertarian Republicans* former GOP House Republican Policy Chair and NOT a Libertarian Thaddeus McCotter articulates the political and cultural circumstances driving the GOP's once disdained Libertarian wing to its present prominence and predestined dominance Yet if Liberty is risen when will it reign To find out buy the book *The Neocon Reader* Irwin M. Stelzer, 2004 Although neo conservatism isn't new the term is widely misapplied and neo conservative foreign and domestic policies are little understood In this anthology of essays written by today's leading neocons columnists politicians and other prominent thinkers give a comprehensive overview of neo conservative ideology in a bold collection of classic and original essays written especially for this book Contributors include Max Boot Lady Margaret Thatcher George Will and Condoleezza Rice among others Editor Irwin Stelzer attempts to dispel many of the myths built up by foreign and some domestic media that have led many Americans to view neo conservatism as a radical and cohesive movement Rather Stelzer seeks to prove neocons are an eclectic group of intellectuals and politicians who agree on some major policy issues but who pride themselves on their individuality The *Neocon Reader* provides a collection of the ideas that are exerting enormous influence on American foreign and defense policy and serves as an important reminder of how a loose knit band of intellectuals and politicians thought wrote and preached their way into the halls of power **Neoconservatism** Irwin M. Stelzer, 2004 In America a small group of thinkers known as neoconservatives stands accused of hijacking the nation's foreign policy converting it from a multilateralist nation that relies on persuasion into a unilateralist country relying exclusively on military power to achieve its aim of installing pro American democratic regimes in the Middle East and eventually in Africa and other unstable regions of the world Their critics call the neo cons democratic imperialists in pursuit of unachievable goals This book contains classic and original neoconservative writing to provide the first collection for British readers of ideas that are exerting enormous influence on American foreign and defence policy and have caused such a violent reaction among those who disagree It contains freshly commissioned pieces by defense Tony Blair Robert Kagan Condoleezza Rice George Will Jeane Kirkpatrick Adam Wolfson Irving Kristol William Kristol Margaret Thatcher David Brooks Max Boot George L Kelling Kenneth Weinstein Joao Carlos Espada James Q Wilson Karlyn Bowman and Michael Gove *The Indian Libertarian* ,1972
