Licircle De La Fin Du Monde:

Queen Christina of Sweden and her Circle Susanna Åkerman, 1991-07-01 The life and works of Queen Christina of Sweden 1626 1689 have often been obscured behind a haze of lurid myths and legends This book looks again at her notorious abdication of 1654 seeing it against the background of her reputation as a libertine a heterodox religious thinker Her subsequent conversion to Catholicism is therefore understood as a consequence of messianic and millenarian expectations during those turbulent years and her bizarre attempt in 1657 to become the ruler of Naples is revealed to be the political wing of a comprehensive religious and intellectual philosophy **Edward Irving and His Circle** Andrew Landale Drummond, 2009-06-08 Edward Irving 1792 1834 was a Scottish clergyman and played a significant role in founding the Catholic Apostolic Church He was educated at the University of Edinburgh and became a tutor and master of an academy before his receiving an appointment in the Church of Scotland But he became most well known for his involvement with prophecy millenarianism and speaking in tongues These issues led to his being removed from the Church of Scotland on the charge of heresy This volume provides an engaging examination of Irving both in biographical detail and the controversies that surrounded him Charmed Circle James R. Mellow, 2003-05 Spanning the years from 1903 when Gertrude Stein first arrived in Paris to her final days at the end of World War II Charmed Circle is a penetrating and lively account of a writer at the heart of modernity Four 8 page photo inserts Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature John McClintock, James Strong, 1883 *Leo and His Circle* Annie Cohen-Solal, 2010-05-18 Leo Castelli reigned for decades as America's most influential art dealer Now Annie Cohen Solal author of the hugely acclaimed Sartre A Life an intimate portrait of the man that possesses all the detail and resonance of fiction Michiko Kakutani The New York Times recounts his incalculably influential and astonishing life in Leo and His Circle After emigrating to New York in 1941 Castelli would not open a gallery for sixteen years when he had reached the age of fifty But as the first to exhibit the then unknown Jasper Johns Castelli emerged as a tastemaker overnight and fast came to champion a virtual Who's Who of twentieth century masters Rauschenberg Lichtenstein Warhol and Twombly to name a few The secret of Leo's success Personal devotion to the artists his heroes by putting young talents on stipend and seeking placement in the ideal collection rather than with the top bidder he transformed the way business was done multiplying the capital both cultural and financial of those he represented His enterprise which by 1980 had expanded to an impressive network of satellite galleries in Europe and three locations in New York thus became the unrivaled commercial institution in American art producing a generation of acolytes among them Mary Boone Jeffrey Deitch Larry Gagosian and Tony Shafrazi Leo and His Circle brilliantly narrates the course of one man's power and influence But Castelli had another secret too his life as an Italian Jew Annie Cohen Solal traces a family whose fortunes rose and fell for centuries before the Castellis fled European fascism Never hidden but also never discussed this experience would form the core of a guarded but magnetic character possessed of unfailing old world charm and a refusal to look

backward traits that ensured Castelli's visionary precedence in every major new movement from Pop to Conceptual and by which he fostered the worldwide enthusiasm for American contemporary art that is his greatest legacy Drawing on her friendship with the subject as well as an uncanny knack for archival excavation Annie Cohen Solal gives us in full the elegant shrewd irresistible and enigmatic figure at the very center of postwar American art bringing an utterly new understanding of its evolution
