

## My Life Goals

Pete Blankenship Mr. Letz English 101 25 September 2012 My Life Goals I'm eighteen years old and my birthday is on February 23, 1994. My name is Thomas Earl Blankenship IV, but I go by Pete. I am from Mobile, Alabama and I live on Dog River. I played soccer, basketball, and ran cross country in high school. Soccer is my favorite sport and the team I was on in high school won the state championship twice, and I got named MVP the past two seasons. I have two little brothers Murray(17) and Jack(14). I also have an older sister Katherine(24). Being the oldest boy in the family is challenging sometimes but its a responsibility that I love to have.

I attended a military high school called UMS-Wright, and their code of conduct was very strict. My life love is music and my ultimate dream is to become a music producer in Nashville, Tennessee. My goals on a short term scale for this semester are primarily academic, emotional, spiritual, and personal/professional. By the end of this semester I will have accumulated a g. p. a. of a 3. 5 or higher. To do this I will have to give up nights with friends and partying, but I believe it will all be worth it. I want to have a fantastic resume academically. My personality and work ethic are what I think will gain me the career choice that i desire.

Another goal I will have achieved by the end of the semester is to find a group of people that I can play music with and practice my recording abilities with. I want to do this because music is the love of my life and without it I think I would be depressed. It's too soon to tell if life without music effects me emotionally or spiritually because it has only been a few weeks in college, but it has been something that will always cheer me up in bad times and relieves stress when I am feeling overwhelmed. I want to find people to play with to achieve my personal goal of becoming a music producer in Nashville.

A goal on a spiritual level is to grow stronger in my faith with Christ. I have always been a relatively religious person, but I have noticed that when I am not being made by my parents to say my prayers and go to church it is much harder to do so. After coming to the realization that a relationship with Christ is something that I believe I need to be truly happy, I have a set a goal to go to my fraternities bible study every week and to begin going to Campus Crusade. By the end of the year my goals are to finish the year with a minimum 3. 5 G. P. A. to have a house reserved and have selected roommates that I believe will better me as a person, to have achieved at least 80 hours of community service, and to be playing with a band for money. I need to finish with a great G. P. A. because grades are important to me and are a small symbol of your work ethic, so that my resume looks well enough to get the interviews and opportunities that I desire. I want to have 80 service hours to have an outstanding and philanthropic resume. I also want to be
