Love , Love's Touch Anit Arca, 2022-04-10 Is the world an illusion Is our Universe a hologram This is a magical world All there is is you you are the magnificent reflection of All That Is in the world of Existence and three dimensions Let us wake up from this illusion We have to realize we will leave this body one day we have to realize all of our possessions will be left behind as we depart for our next new adventure This is not a book of divine informative revelation These words do not come from heaven These writings knowledge arose in the Heart through Universal Intuition and were written from Oneself to oneself without the interference of the author's personal thoughts ego What you call I is your identity Bonding yourself with your identity creates the I am ego personality This identity of yours is not actually you it is an illusory state of what you are not In Reality you are not your ego identity The external world and its social parameters play a big role in forming this ego identity You do not own anything no name no form or any image that you can call I You have not constructed or created these You do not own anything you think you can control or possess When you identify yourself with these things the things that you are not or do not own you are creating a self imposed prison for yourself and living inside of it In other words you create your ego personality In this case we have to ask the following question who am I Really Are you really all that you claim to own names forms and images Are you only made up of body and mind When you identify with these beliefs and those of the collective world consciousness you get lost and break away from your true Reality When you claim ownership of these names forms and images you create your ego personality Whenever you say I am this or that you are identifying with that thing which you now claim as your own and you unify yourself with that thing If you do not identify with anything if you do not claim ownership of anything the I ceases to exist Removing the I dissolving it is the ultimate freedom we seek The walls of

the self imposed prison of ego personality you possessively created will fall away Here in this liberated state of being the necessity for choice or decision falls away too You act just as is needed in each moment of life as it arises in the Now Thoughts of should I have done this or that will disappear The mind is like software running on a computer The virus that corrupts the software is the ego It is this ego personality that creates erroneous beliefs and then claims ownership of them Only when this virus is removed by an antivirus program Mind reveals itself in its full capacity With this cleaning up process human minds become increasingly liberated and expansively intelligent In this Book knowledge of advanced life is being released into the public publishing domain for the first time This life can be described with concepts of Absolute Human Birth of Absolute Humanity Experiencing Non Existence and Beyond Non Existence We believe through our life experience that the only way to change our individual and collective point of view is to know NON EXISTENCE The will behind the writing and publishing of this knowledge in the Book arose in servitude *The Saint, the Surfer, and the CEO* Robin Sharma,2003-10-01

From the bestselling author of *The Monk Who Sold His Ferrari* A chance encounter following a near death experience sends Jack Valentine on a paradigm shifting quest to understand the true meaning of life and find his most authentic self Jack Valentine seemed to have it all He made good money as an ad man and looked good doing it He had a hot apartment cool friends even a slick car at least until the hectic Monday morning a truck smashed into it sending the critically injured Jack to the hospital Everything happens for a reason though and Jack s reason reveals itself in the silver haired cancer patient who becomes his roommate one evening The elderly man Cal shares his life story one not dissimilar to Jack s of material wealth masking a gaping hole within Cal ultimately found salvation through philosophy the love of wisdom and now offers to help Jack by prepping the younger man for the Final Questions we all must face Have I lived wisely Have I loved well Have I served greatly Presenting Jack with three plane tickets each accompanied by a map marked with a red X Cal sends Jack to meet with three great teachers each of whom will help Jack answer one of the Final Questions just as they once helped Cal First in Rome Jack will meet the Saint Then a haunted beach in Hawaii introduces him to the Surfer And finally the grandeur of New York City sets the stage for his last encounter with the CEO Along the way Jack will learn to do his interior work discover that our negative traits offer gateways to higher versions of ourselves and understand that figuring things out in your head can distract you from the powerful whispers of your heart Join Jack on his journey and step into the you that you were always meant to be *Only Wonder Comprehends* John Garvey,2018-03-05

For over forty years John Garvey was the ballast of *Commonweal* magazine His award winning essays and consistently notable columns revealed not only his acuity and alacrity but his uncommon spiritual insight These in turn provided momentum and substance for whatever followed in an issue of the magazine because Garvey never hesitated to wrestle with some of the most challenging and intractable topics of the day and did so with a rich pastoral sensitivity and a refreshing and rare intelligence *Only Wonder Comprehends* gleans from John Garvey s many contributions to *Commonweal* that reflect his spiritual depth and deep appreciation of history

politics theology and culture Steeped in the Christian tradition Garvey loved to write and in return his readers relished what he wrote It is hoped that this collection of his writings from Commonweal will inspire readers to cultivate a similar sense of attentiveness and commitment for as the author himself observed Religious traditions are meant to transform us not to affirm us as we are
