conscience But Cristes lore and his apostles twelve He taughte but first he folwed it himselve The history of pious and charitable foundations is a vindication of the truth of the portraiture of the Prologue The foundation of a new monastery and the endowment of the friars had alike ceased to attract the benevolent donor who was turning his attention to the universities where secular clergy were numerous **Life in the Medieval University** ,2007 [Life in the Medieval University](#) Robert Sangster Rait,1912 **Life in the Medieval University, by Robert S.
