Apartheid's Reluctant Uncle Thomas Borstelmann, 1993 Borstelmann history Cornell U brings to light the neglected history of Washington's strong but hushed backing for the white supremacist National Party government that won power in South Africa in 1948 and for its formal establishment of apartheid Annotation copyright by Book News Inc Portland OR

Popular Struggles in South Africa Robin Cohen, William Cobbett, 2024-04-01 Popular Struggles or One Struggle Originally published in 1988 shortly after the miners strike in South Africa of 1987 this book begins with a strongly argued and seminal discussion of this question by William Cobbett and Robin Cohen The book had an urgency and relevance at its time of original publication but many of the themes it discusses remain as relevant today Nearly all the contributors were close to the sites of encounter and resistance they described but at the same time they and the editors place the individual cases within the historical context

associated with the Empire Settlement Act of 1922 It examines the background to these new emigration experiments the development of plans for both individual and family migration as well as the specific schemes for the settlement of ex servicemen and of women Varying degrees of encouragement acquiescence and resistance with which they were received in the dominions are discussed After the First World War there was a striking reorientation of state policy on emigration from the United Kingdom A state assisted emigration scheme for ex servicemen and ex servicewomen operating from 1919 to 1922 was followed by an Empire Settlement Act passed in 1922 This made significant British state funding available for assisted emigration and overseas land settlement in British Empire countries Foremost amongst the achievements of the high minded imperial projects was the free passage scheme for ex servicemen and women which operated between 1919 and 1922 under the auspices of the Oversea Settlement Committee Cheap passages were considered as one of the prime factors in stimulating the flow of migration particularly in the case of single women The research represented here makes a significant contribution to the social histories of these states as well as of the United Kingdom Papers,1926 **Mission and**
