EXCERPT Max set his beer on the counter and moved into her personal space She backed up until she was pressed against the wall the hideous African mask next to her head laughing at her He planted his hands on either side of her and leaned in as close as he could without

touching her His breath was a whisper in her ear shivers of delight and desire standing the hairs on the nape of her neck on end The tips of her breasts could almost feel the warmth of his chest longed to feel it and his musk confused her senses Don't you know he breathed into her ear His cheek brushed her hair and a lump rose in her throat This can't be happening she thought Why the hell not screamed Paul's voice in her head He was right Why the hell not Her breath coming in shallow bursts and her heart thumping against her ribcage Bethany lifted her face to his meeting his hypnotic gaze Tell me she whispered His luscious full lips curved upward Because from the moment I saw you I knew it was you I wanted Bethany groaned at his words and pressed her body into his drawing a matching groan from him All thought left her brain as their lips touched Max pushed her back against the wall as his fingers buried themselves in her hair His mouth consumed hers leaving her breathless and quivering with lust A well of emotion bubbled inside of her making her head spin and her heart pound uncontrollably Never before had she felt this way about someone especially someone she barely knew She clutched at his shoulders and biceps reveling in their bulk and reassuring herself that she wasn't dreaming She was having a hard time believing those arms were wrapped around her And then they weren't Bethany was left swaying against the wall when Max pulled himself away from her It was clearly by sheer force of will because his desire for her was quite evident at the front of his jeans She blinked in confusion She parted her lips to ask what had happened when he leaned in gave her a peck and smiled Ready to eat
