Arik, 2023-07-20 Using autoethnographic and narrative inquiry this book investigates the identity and literacy development of an international graduate student in the United States of America The findings illustrate that the identities and literacy practices in graduate school were multiple heterogeneous dialogic situated and dynamic The findings indicate that the development of both identities and literacy practices in graduate school require a considerable amount of interaction with others through both people and texts and that these interactions are the primary factor underlying disciplinary socialization This enquiry formulates subjective evaluations about these interactions and how they fundamentally shape academic socialization The study also underlines the significance and necessity of studying academic socialization from particular emic perspectives of individuals *Out of the Darkness into the Light* Tammy Buckallew, Rodney Buckallew, 2016-02-26 Out of the Darkness into the Light By Tammy Buckallew and Rodney Buckallew Out of the Darkness into the Light is about the author s lifetime experience with depression This book

takes the reader through the journey of each of the author's six major episodes. The author bares her soul so that others with depression will know they are not alone and there is hope. Her personal journal entries allow the reader into the mind of the depressed person so that they gain a better understanding of the psychological warfare that a person goes through during depression. Depression is still misunderstood by society. Out of the Darkness into the Light will help open up an awareness and insight into the dark matter of depression. The author provides insight into her search for alternative solutions as well as the traditional forms of treatment. The supplement Depression from a Spouse's View is by the author's husband. The author gives personal accounts, recollections, and feelings of the impact that depression has on family members and loved ones. The supplement is filled with detailed accounts in order to help others learn to identify and manage their way through a loved one's depressive episodes.

**Elephant Crumbs Journal** Ronald-Osaze S.M. Griffin, 2022-12-27 Elephant Crumbs Journal is a God-inspired love book. God talked, I listened, and then I wrote. However, He used my spirit, my heart, and mind experiences and voice to get His points across. For example, Father wants us to love each other the same way He loves us. He considers us family regardless of the country we were birthed in, the color of our skin, education, or our financial status. He wants us to look at who we are now juxtaposed against whom we were supposed to be and based on His purpose for creating us. He wants us to not be angry with Adam and Eve for their error in judgment. What if Adam and Eve were teenagers madly in love with each other? Do you remember your first love? Did you make sense? Did you obey your parents when they said "Don't see that person"? He wants us to consider the question: What do we need to do now to become the original Adam before sin? He wants us to recognize that Adam as one person was male and female. However, after Adam slept, he was Adam and Eve, two people: male and female, husband and wife. The first, the image of marriage. Elephant Crumbs Journal speaks to Love, looks for Love, loses Love, even to death, begs for Love's forgiveness. Sometimes it's the original Adam speaking; other times it's the Adam that should have been.

**Therapeutic Journal Writing** Kate Thompson, Kathleen Adams, 2011 The author of this book guides the reader through developing journal writing to use as a therapeutic tool. Keeping a journal can help the writer to develop a better understanding of themselves, their relationships, and the world around them, as well as improve skills of problem solving, decision making, and planning. As such, journal writing can be a powerful complement to verbal therapy, offering an effective and affordable way of extending support to troubled clients. The book includes advice on working with individuals, facilitating a therapeutic writing group, proposed clinical applications, practical techniques, useful journal prompts, exercises, and case vignettes.
