Laser Guided Democracy:

Democracy's Arsenal Jacques S. Gansler, 2013-08-16 An expert explains why the security needs of the twenty first century require a transformation of the defense industry of the twentieth century New geopolitical realities including terrorism pandemics rogue nuclear states resource conflicts insurgencies mass migration economic collapse and cyber attacks have created a dramatically different national security environment for America Twentieth century defense strategies technologies and industrial practices will not meet the security requirements of a post 9 11 world In Democracy's Arsenal Jacques Gansler describes the transformations needed in government and industry to achieve a new more effective system of national defense Drawing on his decades of experience in industry government and academia Gansler argues that the old model of ever increasing defense expenditures on largely outmoded weapons systems must be replaced by a strategy that combines a healthy economy effective international relations and a strong but affordable national security posture The defense industry must remake itself to become responsive and relevant to the needs of twenty first century security **Radical Philosophy**, 2010 **The Irony of Democracy** Thomas R.
