Hong Kong Management Cases in Hotel Management Management Development Centre of Hong Kong, 1996 Until recently, very few case books are written about Hong Kong's hotel management. Most case books have drawn their materials from North America and Europe. There are very few which reflect the local situation familiar to readers in Hong Kong. To remedy this situation, the Case Clearing House of Hong Kong encouraged local authors to write cases based on true to life Hong Kong situations. Managers in the hospitality industry will find the situations presented in the book similar to those they face in their work and will be able to learn from the discussions of the cases presented. Students will find the cases a useful means of enhancing their understanding of hospitality management practice in Hong Kong.
