Bruce, 2016-08-12 It is no secret the body of Christ in the United States is broken While universality and unity amid diversity is a fundamental characteristic of Roman Catholicism all too familiar issues related to gender sexuality race and authority have rent the church Healthy debates characteristic of a living tradition suffer instead from an absence of genuine engagement and dialogue But there is still much that binds American Catholics In naming the wounds and exploring their social and religious underpinnings Polarization in the US Catholic Church underscores how shared beliefs and aspirations can heal deep fissures and the hurts they have caused Cutting across disciplinary and political lines this volume brings essential commentary in the direction of reclaimed universality among American Catholics A Critical Introduction to Religion in the Americas Michelle A.
