Penrose, 2018-03-21 Excerpt from The Latter Day Saints Millennial Star Vol 71 April 8 1909 It is the same with the Prophet Joseph Smith and the Latter day Saints It is the gospel of the Son of God revealed anew in this last dispensation that has made the name of that man immortal and the saints the people that they are Without it in all probability the name of Joseph Smith would not have been known outside the locality in which he resided Scarcely a day passes without adding lustre to the name of the latter day prophet and as the years go by it will become more and more illustrious It was the same with President Brigham Young It was Mormonism or the gospel of Jesus Christ which made him the great and mighty man that he was The same may be said of all the succeeding presidents of the Church and also of the Latter day Saints as a whole In their lives the power of the gospel has been plainly made manifest What a change the gospel of Christ has wrought in the lives of tens of thousands of men and women in these latter days through obedience to its holy principles they have been literally regenerated born again made new creatures in Christ Jesus so that they are able to say with Paul we are not ashamed of the gospel of Christ for it is the power of God unto salvation How could we feel ashamed of that which has done so much for us Well might the Savior say He that is ashamed of me before men of him will I be ashamed before my Father and before the angels What have we to be ashamed of brethren and sisters Nothing under the sun On the contrary we have much to be proud of IS the great revelation which the Father and the Son have given of themselves in this dispensation something to be ashamed of Verily no Think of the state of ignorance from which that glorious manifestation has delivered hundreds of thousands of the human family What erroneous and absurd ideas we entertained concerning our Father in heaven before the glad tidings of that new revelation reached us Before we worshiped we knew not what now we worship God intelligently in Spirit and in truth About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more

**The Latter-Day Saints' Millennial Star, Vol. 84** Orson F. Whitney, 2017-05-21. Excerpt from The Latter Day Saints Millennial Star Vol 84 November 9 1922. President Grant said it was a source of great satisfaction to him to see such a large attendance. He said he had no recollection of any opening of conference on a week day when some of those attending had to stand. He was grateful to see so many present. He hoped all would be fed on the bread of life and that whatever he said would be for the good of himself and the congregation. When the opening prayer was made, he said, and a supplication went up to God that law and order might be upheld, he knew what the keynote should be. President Grant then read a selection from the Doctrine and Covenants to the effect that laws and rulers should be upheld and order maintained. That he said meant that men should be able to labor without running the risk of being killed by someone who objects to their doing such work. The President said he was

convinced beyond the shadow of a doubt that it is the duty of every Latter day Saint to obey the law to uphold the law and sustain the law It is the duty of every man and woman in the Church to uphold the laws This includes the prohibition law and the cigarette law President Grant said that only those men who will agree to support the cigarette law and keep it on the statute books should be supported by the Latter day Saints The founder of this Church met the Father and the Son face to face and his followers have been proclaiming that fact to the world since said the President He then read an account of the martyrdom of the Prophet Joseph Smith and his brother Hyrum how the Prophet declared he was going like a lamb to the slaughter The speaker said his mother had told him that a more God fearing man than Hyrum Smith never lived He declared he believes that Joseph and Hyrum are working on the other side for the advancement of the plan of salvation as they worked here and that they have attained the highest degree of exaltation Men can conspire and can work against the Church of God as established upon the earth the speaker said but no one can find a man since Jesus Christ who has done more for the salvation of mankind than Joseph Smith Hundreds of thousands of persons he said have a testimony of the truth of this fact and all the lies in the world cannot stop this work About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works     The Latter-Day Saints' Millennial Star, Vol. 98 Joseph F. **The Latter-Day Saints' Millennial Star, Vol. 64: March 13, 1902 (Classic Reprint)** Francis M. Lyman, 2018-03-15 Excerpt from The Latter Day Saints Millennial Star Vol 64 March 13 1902 We cannot emphasize too strongly the great need for strict attention to this feature of our most holy faith By it we manifest our continued willingness to serve the Lord and make covenant with the Father that we will keep His commandments and do aught else that may be required at our hands for the upbuilding and advancement of His kingdom upon the earth Knowing as they do the great importance of this ordinance

the Latter day Saints should be among its most firm adherents never resting satisfied until they can partake of the Sacrament every Sunday It is a faith promoting feature of our worship and a Renewer of blessings upon our heads that cannot come in any other way Besides the Lord has commanded it and no true member of His Church can afford to disobey His word or in the very least disregard His instructions Good times ahead The Grimsby Conference scheduled to take place at Hull on Sunday next marks the firing of the first gun in a campaign which promises to be both vigorous and beneficial It means the opening of the season's work by the Church of Jesus Christ of Latter day Saints which in the British Isles is represented by a corps of energetic young men and women as missionaries and not a few honest hearted souls who have become adherents to that faith This Church preaches and teaches the pure Gospel of Jesus Christ shorn of all improvements and innovations and declares Openly and to all the world that herein lies the salvation of humankind that as the Scriptures have it there is none other name under heaven given among men whereby we must be saved than the name of our blessed Savior Jesus Christ While this work has been going on here for years the spring of the year is always the signal for renewed effort as it gives those engaged in the ministry an opportunity of being heard on the Street corners as well as in the halls and paves the way for the introduction of the Gospel into many a home which otherwise might have been left without From the present state of affairs we have great hopes for a good harvest the coming season for the day seems fully ripe for splendid accessions to the fold due to a reawakening throughout the land and an increased desire to serve God in the appointed way About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Smith, 2018-03-23 Excerpt from The Latter Day Saints Millennial Star Vol 78 August 17 1916 The people of the world at the present time are all for pleasure and seem to think about nothing except this world's goods If you will open your Bible at I John 2 15 you will find these words Love not the world neither the things that are in the world If any man love the world the love of the Father is not in him My mind is not set upon this world's goods I am trying to do as Jesus Christ taught namely to lay up treasures for myself in heaven where moth and rust cannot creep in and where thieves cannot break through and steal The world are laying up treasures on earth where rust can corrupt and thieves break through and steal Christ says Matt 16 For what is a man profited if he shall gain the whole world and lose his own soul The gospel of Christ as taught by the Latter day Saints is indeed a Pearl of Great Price It brings true happiness and contentment Paul says i Tim 6 6 But godliness with contentment is great gain For we brought nothing into this world and it is certain we can carry nothing

out And having food and raiment let us be therewith content We are told again matt 6 But seek ye first the kingdom of God and his righteousness and all these things will be added unto you In order to do this we must do as Christ says john 5 Search the scriptures for in them ye think ye have eternal life and they are they which testify of me then we shall find that we must repent of our sins with a godly sorrow not with the sorrow of the world which as Paul says ii Cor 7 worketh death Christ has provided a way in which we can get remission of our sins Peter acts 2 38 commands the people to be baptized for the remission of their sins Again we find that Paul was commanded to be baptized to wash away his sins acts 22 After baptism we receive the Comforter which is the Holy Ghost Peter promised the Holy Ghost after baptism acts 2 Christ promised the Holy Ghost after His departure john 16 The mission of the Spirit of God is to lead us into all truth john 14 This gift was bestowed by the laying on of hands as we read in Acts 8 17 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Grant, 2017-10-21 Excerpt from The Latter Day Saints Millennial Star Vol 68 May 24 1906 In the day thou eatest thereof thou shalt surely die Now it is a scriptural fact that Adam did not die in twenty four hours after partaking of the fruit We find that he lived to be nearly a thousand years old We may gather from this that a day with the Lord may be a great period of time with us As the forces have acted on the earth during these periods they have tended to make the earth a better dwelling place for mankind As man has progressed so the earth has progressed to meet his demands Through the countless years rivers have been formed which make commerce easier for man The eruptions which have taken place and the action of water in wearing the crust of the earth down have made it possible for man to gain access to the minerals which are so needful to him and thus we can see how the earth is bettering itself for the abode of man Every atom of matter must fill the measure of its creation Man expects through the Gospel plan to become perfect even as God is perfect Man came here upon the earth to gain a schooling that was necessary to advance him up the scale of progression This earth was made for this express purpose and since it has been progressing with man thus far why will it not progress further Man looks forward to being resurrected and becoming an immortal being Paul said If in this life only we have hope in Christ we are of all men most miserable This is true Man's thoughts go beyond the grave possibly to some imaginary heaven on some other planet If this earth was made for man why not this earth be the planet I do not mean in the condition it is now but in a condition that would be fit for exaltation If man is resurrected why may not the earth also be regenerated and become the abode of immortals Why should

we think to live on another planet when this earth has nourished us while going through our schooling The Savior in speaking to the apostles of future glory said I say unto you ye which have followed me in the regeneration when the Son of man shall sit on the throne of his glory ye also shall sit on twelve thrones judging the twelve tribes of Israel The word regeneration means to change or a new birth Peter also voices this same thought When speaking to the people at Solomon s temple he said Repent ye therefore and be converted that your sins may be blotted out when the time of refreshing shall come from the presence of the Lord and he shall send Jesus Christ which before was preached unto you whom the heaven must receive until the time of the resti tution of all things About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Latter-Day Saints' Millennial Star, Vol. 69: May 30, 1907 (Classic Reprint) Charles W. Penrose, 2018-01-14 Excerpt from The Latter Day Saints Millennial Star Vol 69 May 30 1907 I desire to impress this thought upon your minds for I want you to understand that this is the meaning intended to be conveyed by the words entering into the rest of God Let me assure you that that man who is not thoroughly established in the doctrine of Christ who has not yielded his whole soul unto the Lord and to the Gospel He has taught to the world has not yet entered into that rest He is still at sea so to speak wandering unstable lacking firmness lacking the faith that cannot be moved ready to be overtaken by the cunning and craftiness of him who lies in wait to deceive and mislead into error and darkness While he that has received the testimony of Jesus Christ in his heart he that has yielded his all to the kingdom of God and to the will of the Father is so established His heart is fixed his mind is made up doubts have been dispelled fears have all been removed he knows in whom to trust he is thoroughly established in his purposes and in his determination that as for him and his house he will serve God keep His commandments and walk as far as it is possible for human creatures to walk in purity of life in honor fidelity and uprightness before the Lord I thank my God that this spirit and feeling of unrest has been removed from my thoughts and mind with reference to the work in which we are engaged and that the Lord has given me assur ance that is beyond all other things in relation to this matter I rejoice in the Gospel I rejoice in the testimony of the Spirit of God in my heart I rejoice in the testimony of the Prophet Joseph Smith I rejoice in every principle of the Gospel of Jesus Christ that we have become acquainted with so far as my knowledge goes I cannot ask for I do not want anything better than the principles of life and salvation revealed in this great plan of re demption restored to the earth in the latter days About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art

Widtsoe, 2017-10-21 Excerpt from The Latter Day Saints Millennial Star Vol 91 November 14 1929 A thoughtful study of these words reveals these great truths First that it is possible that knowledge not previously possessed by man may come from God our Father to His children who are here upon earth It is probably true that Peter himself did not understand the direct source from which the impulse that prompted his answer had come but this scripture makes it plain that it came from God our Father who spoke to him through the influence or whisperings of the Holy Ghost Another important truth which this scripture reveals is that the means of communication between Father who is in heaven and His children who are here upon earth is the Holy Spirit of God the Holy Ghost communicated to us through the precious gift of revelation The Church of Jesus Christ of Latter day Saints is to be built upon this principle of revelation Another very important thing which is definitely implied by these words spoken by the Redeemer of the world is that the keys which were bestowed upon Peter when in the possession of any other man as they were in the possession of Peter confer upon him the authority to bind upon earth and it shall be bound in heaven to loose upon earth and it shall be loosed in heaven Questions which are of vital importance and in which this principle or doctrine of revelation is directly involved have come to the Church from the time of its organization until the present They are constantly being introduced and discussed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works     **The Latter-Day Saints' Millennial Star, Vol. 78** George F. Richards, 2018-08-08 Excerpt from The Latter Day Saints Millennial Star Vol 78 October 26 1916 He invited me to his home where I saw Mother Smith and Hyrum Smith's wife and Sister Rockwell the mother of Orrin Porter Rockwell We sat up talking nearly all night for I had not much spare time having two appointments out and a long day's journey for a man to walk I had to return the next morning and we conversed during most of the night without being either sleepy or weary During that conversation I learned something of the rights of the Church its organization the restoration of the Priesthood and many important truths I felt to go back and fill the two appointments given out and that closed my ministry as I felt that I had no authority and that I would go back and obey the Priesthood which was again upon the earth I attended to my appointments and was back again the next morning to Brother Hyrum's He made me a present of the Book of Mormon and I

felt richer in the possession of that book or the knowledge contained in it than I would could I have had a warranty deed of all the farms and buildings in that country and it was one of the finest regions in the world I walked awhile and then sat down and read awhile for it was not my mind to read the book through at once I would read and then read the same portion over again and then walk on I was filled with joy and gladness my Spirit was made rich and I was made to realize almost as vividly as if I had seen it myself that the Lord Jesus Christ did appear in His own proper person in His resurrected body and minister to the people in America in ancient times He had surely risen from the dead and ascended into heaven and did come down on the American continent in the land Bountiful on the northern part of South America and did minister to the remnants of Joseph called the Nephites and did Show His resurrected body unto them They did handle Him see Him and examine the wounds that were pierced in His hands His side and His feet and they bathed them with their tears and kissed them and thousands of them did bear record of these facts He did deliver to them His gospel in its fulness and plainness in the presence of thousands and did command them to write it in a book and He promised that that book should come to light in latter days in time for the great restoration of all Israel and the fulfilment of the prophecies relating to the great work of the last days About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Latter-Day Saints' Millennial Star, Vol. 77 Hyrum M. Smith, 2017-07-11 Excerpt from The Latter Day Saints Millennial Star Vol 77 March 11 1915 According to the Scriptures baptism washes away sins acts 22 it is the ordinance of regeneration john 3 5 Titus 3 by it the believer enters into the union of the redeemed of which Christ is the head and becomes in a special sense the son or daughter of God gal 3 26 in baptism we are buried with Christ through repentance being dead to sin and have risen with Him to a newness of life rom 6 1 4 compare Doe And Gov 5 16 33 11 68 9 84 64 128 According to the Book of Mormon those who have been baptized have taken upon them the name of Christ ii Nephi 31 they have been baptized unto the Lord their God alma 62 they are promised the Holy Ghost ii Nephi 31 and they shall inherit the kingdom of God iii Nephi 11 Baptism is the door of the Church of Christ we cannot get in there in any other way for Christ hath said it joseph F Smith Journal of Discourses Vol 19 page That expresses in one sentence all the effects produced by baptism when performed by the authority of our Lord and in the manner He has ordained If We consider the teachings of the Scriptures with regard to the true meaning of baptism we can to some extent comprehend why it is a condition of salvation and a means of regeneration Baptism is a confession of Christ By that ordinance the believer confesses before God men and angels that he has enlisted in the Lord s army and is willing to follow Him The Lord says Who soever

therefore shall confess me before men him will I confess also before my Father which is in heaven matt 10 When we ask for baptism we confess that we believe in Jesus Christ as our Mediator our King and the Captain of our salvation and we have this assurance If thou shalt confess with thy mouth the Lord Jesus and shalt believe in thy heart that God hath raised Him from the dead thou shalt be saved romans 10 9 compare Doe And Gov 76 To be baptized is therefore as most churches teach a sacred duty About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Latter-Day Saints' Millennial Star, Vol. 84: November 30, 1922 (Classic Reprint)** David O. McKay, 2018-03-09 Excerpt from The Latter Day Saints Millennial Star Vol 84 November 30 1922 The speaker then referred to the new and everlasting covenant and said that it was a contract between God and his people Boys and girls who attend the schools and universities of the country should not think there is anything in the Gospel which would prevent them from accepting and developing a truth for all truth is included in it What is needed is an interpretation of the Gospel and that interpretation should come through the institutions and auxiliaries of the Church that the young may know there is nothing about it which would prevent them from developing all truth He closed by bearing his testimony to the divinity of the latter day work Elder James E Talmage was the next speaker He said at times it is well for one to look at himself but when he does so he should be careful of the mirror which he chooses for that purpose So with the Church It is well at times to become introspective The speaker then referred to the early apostolic days of the Church He showed how the Gospel spread until Paul said all had heard it Then followed a period of apostasy Pagan rites and ceremonies were introduced and a period of darkness resulted Then came men who groped toward the light and attempted to bring about a reformation At last the speaker said God again spoke from the heavens God the Father and Jesus Christ the Son appeared again upon the earth This Church has no mother church It has sprung from no other it was founded by Jesus Christ himself Peter James and John the presidency of the Church in the days of old have restored the authority of that Church The Church has been re established in these the latter days While this may shock the ears of some it should not The Church of England declared many years before the coming forth of this Church in 1830 that there was a great apostasy in the world Elder Talmage then read from Section 22 of the Doctrine and Covenants regarding the new and everlasting covenant and from the New Testament in which it is called unwise to put new wine into old bottles or new cloth upon old garments That was to show that there was to be no compromise between the things of God and the things of men The Lord is not leaving his Church without guidance but is speaking through those who represent him upon the earth Elder Talmage closed by urging his hearers to

follow the counsel of the leaders of the Church About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*The Latter-Day Saints' Millennial Star, Vol. 69: October 10, 1907 (Classic Reprint)* Charles W. Penrose, 2017-12-26 Excerpt from The Latter Day Saints Millennial Star Vol 69 October 10 1907 Man has faith in man but how often we are afraid to trust our Father in Heaven He has placed us here and His providence is over all Everything is done by Him in order There are certain laws which govern the universe and certain laws that govern our lives and if we have faith enough to bring ourselves into line with those laws we are correspondingly happy If we rebel we produce friction which causes pain If we have an intelligent faith in God and are keeping His laws as far as we understand them everything that happens to us must be the best thing that could happen at that particular time and if we have absolute faith in our Father we shall acknowledge this although in our ignorance we may not be able to see it just then It is this absolute faith that is needed to take the sting out of life and make it happy We must not depend upon circumstances for our happiness but we must learn to trust our Father implicitly Faith has done mighty things By it we can obtain all things Paul said I can do all things through Christ which strengtheneth me That does away with all I cannots By faith the humble fishermen of Galilee were able to teach the world By faith the Elders of Israel can do the same Though they may not be highly educated they can confute the learned men of the day In the eleventh chapter of Hebrews we see what faith can do Take for instance the Prophet Joseph Smith whose faith brought God the Eternal Father and His Son Jesus Christ from heaven to give instructions to a mere boy When I was quite a girl I began to pray for a certain thing I prayed twice daily for twelve years and then God abundantly answered my prayers in a way far

beyond what I had hoped or even thought of God lives and by faith if we keep His laws we can claim from Him what we ask Jesus said If ye abide in me and my words abide in you ye shall ask what ye will and it shall be done Paul said to the former day saints Be careful for nothing but in everything by prayer and supplication with thanksgiving let your requests be made known unto God We need have no fear we need not worry over things for all things work together for good to them that love God About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
