explain shifts in political assumptions It is a pioneering look at the dissemination of books in our culture that expands the discussion of recent political transformations and suggests that sources other than political rhetoric have contributed to Americans renewed appreciation of individualist ideals **Reconsidering Laura Ingalls Wilder** Miranda A.

Americans about frontier life giving inspiration to many and in the process becoming icons of our national identity Yet few realize that this cherished bestselling series wandered far from the actual history of the Ingalls family and from what Laura herself understood to be central truths about pioneer life In this groundbreaking narrative of literary detection Christine Woodside reveals for the first time the full extent of the collaboration between Laura and her daughter Rose Wilder Lane Rose hated farming and fled the family homestead as an adolescent eventually becoming a nationally prominent magazine writer biographer of Herbert Hoover and successful novelist who shared the political values of Ayn Rand and became mentor to Roger Lea MacBride the second Libertarian presidential candidate Drawing on original manuscripts and letters Woodside shows how Rose reshaped her mother s story into a series of heroic tales that rebutted the policies of the New Deal Their secret collaboration would lead in time to their estrangement A fascinating look at the relationship between two strong willed women Libertarians on the Prairie is also the deconstruction of an American myth Skyhorse Publishing along with our Arcade Good Books Sports Publishing and Yucca imprints is proud to publish a broad range of biographies autobiographies and memoirs Our list includes biographies on well known historical figures like Benjamin Franklin Nelson Mandela and Alexander Graham Bell as well as villains from history such as Heinrich Himmler John Wayne Gacy and O J Simpson We have also published survivor stories of World War II memoirs about overcoming adversity first hand tales of adventure and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
