age of 25 while overexerting herself between medical studies and work Cami collapsed This time a more powerful hepatitis Laying in the hospital in a coma for 46 days when she finally opened her eyes they told her that the hepatitis case was very dire and her liver was in the last stage The Doctors gave her few days to live She left the hospital to go home and live out her final days On her death bed but under the care of an Guardian Angel who rushed around to gather natural plants known for helping liver disease and hepatitis shortly after Cami arrived home she was cured through homeopathic remedies Today Cami is living proof that herbal remedies are the Miracle Herbs of Nature and God All you need is to believe and have patience Most of the herbal medicine takes a little time to work but there are little to no side effects **Alchemy of Herbs**
