It Essentials Chapter 16 Test Answers:

More Agile Testing Janet Gregory, Lisa Crispin, 2015 Janet Gregory and Lisa Crispin pioneered the agile testing discipline with their previous work Agile Testing Now in More Agile Testing they reflect on all they've learned since. They address crucial emerging issues, share evolved agile practices, and cover key issues agile testers have asked to learn more about. Packed with new examples from real teams, this insightful guide offers detailed information about adapting agile testing for your environment, learning from experience, and continually improving your test processes, scaling agile testing across teams, and overcoming the pitfalls of automated testing. You'll find brand new coverage of agile testing for the enterprise, distributed teams, mobile, embedded systems, regulated environments, data warehouse, BI systems, and DevOps practices. You'll come away understanding how to clarify testing activities within the team, ways to collaborate with business experts to identify valuable features and deliver the right capabilities, how to design automated tests for superior reliability and easier maintenance, how agile team members can improve and expand their testing skills, how to plan just enough, balancing small increments with larger feature sets and the entire system, how to use testing to identify and mitigate risks associated with your current agile processes and to prevent defects, how to address challenges within your product or organizational context, how to perform exploratory testing using personas and tours, exploratory testing approaches that engage the whole team, using test charters with session and thread-based techniques, how to bring new agile testers up to speed quickly without overwhelming them. The eBook edition of More Agile Testing also is available as part of a two eBook collection, The Agile Testing Collection. 9780134190624

The Agile Testing Collection Janet Gregory, Lisa Crispin, 2015-06-22 A Comprehensive Collection of Agile Testing Best Practices. Two Definitive Guides from Leading Pioneers Janet Gregory and Lisa Crispin haven't just pioneered agile testing; they have also written two of the field's most valuable guidebooks. Now you can get both guides in one indispensable eBook collection today's must-have resource for all agile testers, teams, managers, and customers. Combining comprehensive best practices and wisdom contained in these two titles, The Agile Testing Collection will help you adapt agile testing to your environment, systematically improve your skills and processes, and strengthen engagement across your entire development team. The first title, Agile Testing: A Practical Guide for Testers and Agile Teams, defines the agile testing discipline and roles and helps you choose, organize, and use the tools that will help you the most. Writing from the tester's viewpoint, Gregory and Crispin chronicle an entire agile software development iteration and identify and explain seven key success factors of agile testing. The second title, More Agile Testing: Learning Journeys for the Whole Team, addresses crucial emerging issues, shares evolved practices, and covers key issues that delivery teams want to learn more about. It offers powerful new insights into continuous improvement, scaling agile testing across teams, and the enterprise, overcoming pitfalls of automation, testing in regulated environments, integrating DevOps practices, and testing mobile, embedded, and business intelligence systems. The Agile Testing Collection will help you do all this and much more. Customize
