Report of New World Society Assembly of Jehovah's Witnesses ,1953 *Report of the Theocracy's Increase Assembly of Jehovah's Witnesses* Watch Tower Bible and Tract Society,1950 *Opening the Door to Jehovah's Witnesses* Trevor Willis,2001 *Jehovah's Witnesses* Gordon E. Duggar,1989 Escaping the Smoke and Rain Shauna May,2014 Divine Will Watch Tower Bible and Tract Society, *Judging Jehovah's Witnesses* Shawn Francis Peters,2000-04-11 While millions of Americans were defending liberty against the Nazis liberty was under vicious attack at home One of the worst outbreaks of religious persecution in U S history occurred during World War II when Jehovah s Witnesses were intimidated beaten and even imprisoned for refusing to salute the flag or serve in the armed forces Determined to claim their First Amendment rights Jehovah s Witnesses waged a tenacious legal campaign that led to twenty three Supreme Court rulings between 1938 and 1946 Now Shawn Peters has written the first complete account of the personalities events and institutions behind those cases showing that they were more than vindication for unpopular beliefs they were also a turning point in the nation s constitutional commitment to individual rights Peters begins with the story of William Gobitas a Jehovah s Witness whose children refused to salute the flag at school He follows this famous case to the Supreme Court where he captures the intellectual sparring between Justices Frankfurter and Stone over individual liberties then he describes the aftermath of the Court s ruling against Gobitas when angry mobs savagely assaulted Jehovah s Witnesses in hundreds of communities across America Judging Jehovah s Witnesses tells how persecution much of it directed by members of patriotic organizations like the American Legion touched the lives of Witnesses of all ages why the Justice Department and state officials ignored the Witnesses pleas for relief and how the ACLU and liberal clergymen finally stepped forward to help them Drawing on interviews with Witnesses and extensive research in ACLU archives he examines the strategies that beleaguered Witnesses used to combat discrimination and goes beyond the familiar Supreme Court rulings by analyzing more obscure lower court decisions as well By vigorously pursuing their cause the Witnesses helped to inaugurate an era in which individual and minority rights emerged as matters of concern for the Supreme Court and foreshadowed events in the civil rights movement Like the classics Gideon s Trumpet and Simple Justice Judging Jehovah s Witnesses vividly narrates a moving human drama while reminding us of the true meaning of our Constitution and the rights it protects **Jehovah's Witnesses** Anthony A. Hoekema,1975 **Questions for Jehovah's Witnesses "who Love the Truth"** William Cetnar,1989 The Watchtower's Coming Crisis Daniel Rodriguez,2011 A devastating crisis has the Jehovah s Witness religion facing extinction Chances are that you have never met a real Jehovah s Witness While those at your door may claim to be one of Jehovah s Witnesses their own publications plainly teach otherwise So who are the real Jehovah s Witnesses The Watchtower Society teaches that they are members of the 144 000 who will be the only ones going to heaven Membership in this group began with the early apostles Over the centuries others have been added but the Watchtower declared that the number was completed in 1935

Anyone who claims to be one of Jehovah's Witnesses has to be one of the 144 000 and must be very old now. However, the Watchtower Society teaches that these are the only ones who hear from God and are responsible for Watchtower teaching and leadership. Because these people are dying, the Watchtower is facing a credibility crisis. So the Watchtower is quietly manipulating these death figures to keep the Watchtower organization alive. And now just last year, Watchtower literature quietly began to try to wiggle out of the 1935 closing date for the 144 000. But this only adds further opportunity for you to show the JW who comes to your door that he cannot trust the Watchtower with his precious eternal life. The Watchtower representative at your door believes he will remain on Paradise Earth after the coming Armageddon since only the original 144 000 have any hope of going to heaven. In fact, they are the only ones allowed to take communion. He does not believe he can understand Bible truths without the Watchtower. He is dependent on a publication that one day soon will be left without writers to reveal God's truths. Who are those writers? Those who remain of the original 144 000 and they are dying. Oddly enough, their founder Charles Taze Russell never taught the doctrine of the 144 000. In this book, you will learn the true history of this false Watchtower doctrine. You will be surprised to discover that this doctrine is not just a Bible issue. It is also a historical issue and a numbers game that the Watchtower Society has had to manipulate throughout the years to keep that organization alive. With the information and witnessing strategies in this book, you will be able to plant seeds of doubt and undermine the authority of the Watchtower. The Watchtower knows it is essential that this cornerstone doctrine remain alive if it is going to continue to exist as the spiritual leader for its followers. Time is the enemy of this teaching, and they know it.
