Reformation 2.0 Terry L. Weaver, 2021-06-24 After the Enlightenment German theologians in an over zealous attempt to apply the then new Scientific Method to the study of the Bible threw the Bible Baby out with the dirty bathwater Science and evolution were the Zeitgeist and theologians around the world overly bought into the naturalistic thinking of the time Looking back we now can see that almost all the science of the 18th and 19th centuries was very incomplete compared to what we know today While science corrects itself with time German theology has a unique and very unscientific way of progressing by building only upon previously accepted ideas even if those previous ideas were wrong Thus the unintended consequence of Biblical criticism over the past 200 years has been the trashing of the Bible as the Word of God This book traces the history of the problem and proposes a Reformation of the way we view the Bible through Science and History thereby resurrecting the Bible once again to its proper position as the Word of God If we get the Bible right we will get Jesus right if we get Jesus right it will be all right

Absolute Fiction Justin Prystash, 2025-06-01 Explores the coevolution of Absolute idealist philosophy and British fiction from the Romantic period forward Absolute Fiction examines the principal form of idealism in the modern period Absolute idealism which posits that mind and matter must be understood in relation to all of reality the universe the Absolute This premise was variously articulated by philosophers and writers from Germany Britain India and beyond Absolute Fiction traces a genealogy from the creative adoption of Hinduism and German Idealism by Coleridge and Carlyle to Aldous Huxley's novelization of Advaita Vedanta Justin Prystash argues that canonical figures such as Hegel and George Eliot as well as overlooked ones such as May Sinclair and Anukul Chandra Mukerji found in the Absolute a provocation to account for more and more swaths of reality accounts that required at the limits of philosophy fictional prosthetics The thematic and formal experimentation of Romanticism realism science fiction horror weird fiction and modernism all draw upon Absolute idealism to reconceive subjectivity and ethics These experiments far from being antithetical to contemporary literary criticism reveal it to be more idealist than many would like to acknowledge

Care for the Sorrowing Soul Duane Larson, Jeff Zust, 2017-10-26 Moral Injury is now recognized as a growing major problem for military men and women Operant conditioning can overwhelm moral convictions and yet the question of whether to shoot or not to shoot often will never have a settled answer Certain theories and treatment models about MI have been well developed but too often overlook root issues of religious faith The authors propose a new model for understanding moral injury and suggest ways to mitigate its virtually inevitable occurrence in pre combat training and ways to resolve MI post trauma with proven spiritual resources People outside the military too among whom the incidence of MI also is a growing threat will benefit from this analysis The stories of the injured their shaping and their telling are the key and there are many illuminating stories of moral injury and recovery Those who suffer MI their families and caregivers including counselors pastors and faith communities will find hope giving first steps toward the healing of MI in this book

Putting Burdens on Broken

Shoulders Ken Crispin, 2023-03-22 Conservative Christian views on marriage and divorce are often presented as bulwarks against the tragedy of marital breakdown Yet the advice given to divorced Christians and those facing the disintegration of their relationships is often irresponsible and damaging Women fleeing domestic violence are told they are bound to their abusers by indissoluble spiritual bonds Some are sent back to face further violence Children are exposed to further abuse People are condemned to lives of unnecessary loneliness and second marriages are undermined A pall is cast over many lives Why Why should vulnerable people be given advice that is so damaging Those who protest are told that this is what the Bible teaches But does it This book critically examines the relevant texts revealing fundamental errors due to theological misconceptions and difficulties of understanding nuances of the original languages and the contexts in which crucial words were spoken Properly understood the relevant biblical passages do not lock people into intolerable situations Christians are called to be faithful in their marital relationships but not to pretend that former marriages still exist or refuse to recognize subsequent ones And we are called to embrace not condemn the brokenhearted

Good and Evil in the Garden of Democracy Rodney Wallace Kennedy, 2023-04-13 Democracy faces threats from an emerging right wing movement in democratic governments around the world This may be even more prevalent in the United States because there is an evil that uses rhetorical tropes to undermine the anchor institutions of democracy press courts universities and Congress This evil has a personification former President Donald Trump All the rhetorical critiques of Trump that he is a demagogue an authoritarian a serial liar a populist on steroids fail to take into account the evil that is fomented by his angry and vengeful rhetoric Pictures of evil in Scripture philosophy and rhetoric bear a striking resemblance to Trump It is not enough to say that he is dangerous to democracy Kennedy claims that he is the evil seed in democracy that is even now sprouting new versions of the Trump rhetoric as each acolyte attempts to outrage the next Good and Evil in the Garden of Democracy screams at the evil fights against the evil and then attempts to sing the songs of goodness and democracy from poets prophets and rhapsodes For the health of democracy these words have been written
