Don Macnaughtan

Joss Whedon The Biography Amy Pascale:

Joss Whedon Amy Pascale, 2014-07-24 Packed with trivia filled with wit and endlessly readable this is the biography Joss's career deserves. We can't recommend it enough. SFX Joss Whedon is a male writer whose most famous creation is a girl power icon, a geek who deals in classic themes of love, betrayal, and redemption, and one of the first people in the entertainment industry to have harnessed the power of the internet to engage directly with his fans. Amy Pascale became one of those fans when Buffy Summers enrolled at Sunnydale High in 1997. She has followed Whedon's career ever since, marvelling at his ability to reimagine seemingly hackneyed genres as heartfelt human drama. In this revealing biography, she seeks out the source of that imagination, exploring his artistic, liberal upbringing in New York and teenage years at an elite English public school, before tracing his journey from a bruising start in television to his status today as a blockbuster writer and director whose every new project is pored over online by millions of loyal geeks. Using extensive original interviews with many of Whedon's key collaborators as well as Joss himself, Amy presents candid, behind-the-scenes accounts of the making of ground-breaking shows: Buffy the Vampire Slayer, Angel, and Firefly, and considers Whedon's distinctive contribution to cinema through movies such as Toy Story, Serenity, and superhero epic The Avengers. The result is an intimate portrait of the man who re-wrote popular culture and gave it a heart. *The Whedonverse Catalog* Don

Macnaughtan, 2018-06-04 Director, producer, and screenwriter Joss Whedon is a creative force in film, television, comic books, and a host of other media. This book provides an authoritative survey of all of Whedon's work, ranging from his earliest scriptwriting on Roseanne through his many movie and TV undertakings: Toy Story, Buffy the Vampire Slayer, Angel, Firefly, Serenity, Dr. Horrible, The Cabin in the Woods, and Agents of S.H.I.E.L.D. to his forays into the Marvel Cinematic Universe. The book covers both the original texts of the Whedonverse and the many secondary works focusing on Whedon's projects, including about 2000 books, essays, articles, documentaries, and dissertations. *Joss Whedon* Amy Pascale, 2016-11-09 Preface de Nathan FILLON, acteur fétiche de Joss Whedon et héros de la série Castle. Depuis les 4 millions de téléspectateurs américains qui regardaient la série Buffy contre les vampires, la fin des années 90, Joss Whedon est arrivé au sommet du box office mondial avec 1,5 milliard de dollars de recette pour le blockbuster Avengers. Entre les 2 productions, s'parés d'une dizaine d'années, il y a le parcours d'un créateur que rien ne prédestinait à un tel succès. Joss Whedon a créé les plus grands personnages féminins de la pop culture actuelle: Buffy, Dollhouse, devenant l'un des créateurs principaux du courant girl power. Un Geek qui a su revigorer les thèmes classiques de l'amour, la trahison, et la redemption avec un point de vue clairement féministe. Joss Whedon fait galement l'un des premiers créateurs de l'industrie du divertissement américain engager une relation privilégiée et directe avec ses fans via internet. L'auteur de ce livre, Amy Pascale, a bénéficié d'un accès privilégié à Joss Whedon et ses plus proches collaborateurs avec pour objectif de dresser le portrait intime de l'homme qui a donné un nouveau souffle à la pop culture contemporaine. Amy Pascale nous raconte les coulisses du divertissement américain et révèle les sources d'inspirations.

de Joss Whedon pour comprendre d'où lui vient cette fibre libertaire qui a su toucher le cœur de plusieurs générations de téléspectateurs travers le monde
