*International Business in Times of Crisis* Rob van Tulder, Alain Verbeke, Lucia Piscitello, Jonas Puck, 2022-03-14 International Business in Times of Crisis classifies studies of crises relevant to international business research following a global pandemic which exposed systems failures and fragilities closely across global economic financial political and social systems

*Rethinking the Case Study in International Business and Management Research* Rebecca Marschan-Piekkari, Catherine Welch, 2011-01-01 This important and original book places the case study in international business research in its historical context critically evaluates current case study practices in the field and proposes a more pluralistic future for case research within international business and international management research While the case study is the most popular qualitative research strategy in the field only a narrow selection of possible approaches is currently used IB and IM researchers typically rely on a case study approach that could be characterized as

qualitative positivism The editors and contributors look beyond this disciplinary convention and encourage greater pluralism in IB and IM case research Their key argument is that increased awareness of prevailing disciplinary conventions and their limitations increases the potential for methodological innovation and versatility in case research The contributions provide critical novel and innovative perspectives on the case study in IB and IM research The book offers inspiration to case authors and an authoritative methodological reference for those publishing and reviewing case research It will also be highly regarded by postgraduate and doctoral students in IB and IM as well as both qualitative and quantitative researchers in the field **Journal of Business Research** ,1988 **The Historical Evolution of International Business** Lilac

Nachum,Attila Yaprak,2025-05-22 This book represents the first and most comprehensive account of the history of International Business IB as a field of study The chronicling of the evolution of IB thought teaching and institutions in a unified framework serves to observe the interdependencies among these components and demonstrates the ways by which they have jointly shaped IB as a field of study The book is based on vast volumes of original material whose discussion and interpretation by leading IB scholars creates a dialogue between historical perspectives and contemporary developments and shows the critical role of history in understanding the current state and discourse of IB as a field of study The book situates the history of IB within the broader context of business political and societal developments and examines the interaction between external and internal forces as they have shaped the field s growth trajectory both on its own and in comparison with those of other fields of study **Cases and Exercises in International Business** Charles A. Rarick,2003 This book acts as a supplement to the traditional text in international business and international management courses BACK COVER
