Camille Perri author of The Assistants *The End of San Francisco* Mattilda Bernstein Sycamore, 2013-03-08 The End of San Francisco breaks apart the conventions of memoir to reveal the passions and perils of a life that refuses to conform to the rules of straight or gay normalcy A budding queer activist escapes to San Francisco in search of a world more politically charged sexually saturated and ethically consistent this is the person who evolves into Mattilda Bernstein Sycamore infamous radical queer troublemaker organizer and agitator community builder and anti assimilationist commentator Here is the tender provocative and exuberant story of the formation of one of the contemporary queer movement's most savvy and outrageous writers and spokespersons Using an unrestrained associative

style to move kaleidoscopically between past present and future Sycamore conjures the untidy push and pull of memory exposing the tensions between idealism and critical engagement trauma and self actualization inspiration and loss Part memoir part social history and part elegy *The End of San Francisco* explores and explodes the dream of a radical queer community and the mythical city that was supposed to nurture it Mattilda is a dazzling writer of uncommon truths a challenging writer who refuses to conform to conventionality Her agitation is an inspiration Justin Torres author of *We the Animals* Author Mattilda Bernstein Sycamore is the artistic love child of John Genet and David Wojnarowicz deconstructing language swathed in unbridled sensuality while flinging readers into a disrupted chaotic life of queer anarchy Gay and Lesbian Review Bring on *The End of San Francisco* And Mattilda Bernstein Sycamore whose new book has reinvented memoir without the predictable gloss of passive resolution This book is undeniably brave and new and the internal energy churning at its core is like nothing you've seen heard or read before I swear T Cooper author of *Real Man Adventures* We hear so much about coming of age narratives that we seldom think about going of age the shutting down and closure the making sense of where we've been Written with grace reserve and the honest tremblings that come when things matter Mattilda shows us that *The End of San Francisco* is really the beginning of joy Daphne Gottlieb author of *15 Ways to Stay Alive* It would be easy to describe *The End of San Francisco* as a Joycean Portrait of the Artist as a Young Queer although the book's intense stream of consciousness is reminiscent of the later more experimental Joyce but this is misleading This journey of a life that begins in the professional upper middle class both parents are therapists and the Ivy League and moves to hustling drugs activism Sycamore was active in ACT UP and Queer Nation and queer bohemian grunge is profoundly American At heart Sycamore is writing about the need to escape control through flight or obliteration Michael Bronski *San Francisco Chronicle*

An Army of Ex-lovers Amy Hoffman, 2007 This is a vivid funny portrait of the four tumultuous years a young editor spent working in the gay press the late 1970s writes Amy Hoffman in this memoir of gay liberation before AIDS before gay weddings and before *The L Word* Provocative informative inspiring and absurd with a small circulation but a huge influence *Gay Community News* produced a generation of leaders writers and friends In addition to capturing the heady atmosphere of the times the victories controversies and tragedies Hoffman's memoir is also her personal story written with wit and insight of growing up in a political movement of her deepening relationships with charismatic talented and sometimes utterly weird coworkers and of trying to explain it all to her large Jewish family

In and Out of the Closet Larry A. Barnes, 2014-09-28 This personal memoir tells how many gay people can sometimes spend decades of their lives fooling themselves and others before realizing their true identities The book is adult but not pornographic The author who lived primarily in the Carolinas and Florida relates his life story as it started about the time of World War Two until now He knew that he was different from other children and had extraordinary talents He did not understand what his differences were He was unable to get answers about

sex when he was a child because that was a taboo subject. It was a time and place when and where sex was not even discussed with people's children or anyone else. This made relationships difficult. So he concentrated on his plans for a career and the use of his talents. Suppressing his true sexuality resulted in some mental and emotional turmoil and sometimes clinical depression. After many years and a broken marriage, he was finally able to break the bonds of unhappiness by finding friends who accepted him and loved him unconditionally, something he never experienced even in his own family. He believes this is every gay or lesbian's story as they seek simple acceptance for being who they are.

Rush Kristin Griffith, 2020-12-19 *Rush* *Memoir of a Gay Sorority Girl* is an emotional roller coaster of a story about a shy girl from Texas who, in her quest for love and belonging, struggles with her sexuality and gender identity within the confines of sorority life at a Midwestern university. Growing up in the Bible Belt, playing Smear the Queer, Kristin Griffith had never met a gay person when she left home for university in St. Louis. When her college ex-boyfriend came out to her, she soon realized that she too might be gay. No one can say I didn't try to be straight, she writes. This memoir offers an exclusive peek into sorority and fraternity culture, rushing, pledging, initiation, partying, drinking, hooking up, and homophobia. Kristin lets us intimately witness her coming-out journey, drama with guys, fumbles with girls, romance with a female teacher, angst from keeping secrets, coming out in the student newspaper, and the confidence of being out, along with the pain of being rejected for it. It's about falling down and standing tall as we figure out who we are and who we want to be. It's about the universal desire to be seen, understood, and accepted as our truest self.

We Have Always Been Here Samra Habib, 2019-06-04 CANADA READS 2020 WINNER, SHORTLISTED FOR THE 2020 EDNA STAEBLER AWARD FOR CREATIVE NON FICTION, NATIONAL BESTSELLER 2020, LAMBDA LITERARY AWARD WINNER, ONE OF BOOK RIOT'S 100 MOST INFLUENTIAL QUEER BOOKS OF ALL TIME. How do you find yourself when the world tells you that you don't exist? Samra Habib has spent most of their life searching for the safety to be themselves. As an Ahmadi Muslim growing up in Pakistan, they faced regular threats from Islamic extremists who believed the small, dynamic sect to be blasphemous. From their parents, they internalized the lesson that revealing their identity could put them in grave danger. When their family came to Canada as refugees, Samra encountered a whole new host of challenges: bullies, racism, the threat of poverty, and an arranged marriage. Backed into a corner, their need for a safe space in which to grow and nurture their creative feminist spirit became dire. The men in Samra's life wanted to police them; the women in their life had only

Anderson, 2025-07-30 A young lesbian girl grows beyond fear to fearlessness as she comes of age in the 60s amid religious social and legal barriers Carol Anderson grows up in a fundamentalist Christian home in the 60s a time when being gay was in opposition to all social and religious mores and against the law in most states Fearing the rejection of her parents she hides the truth about her love orientation creating emotional distance from them for years as she desperately struggles to harness her powerful attractions to women while pursuing false efforts to be with men The watershed point in Carol s journey comes when she returns to graduate school and discovers the feminist movement which emboldens her sense of personal power and the freedom to love whom she chooses But this sense of self possession comes too late for honesty with her father His unexpected death before she can tell him the truth brings the full cost of Carol s secret crashing in compelling her to come out to her mother before it is too late Candid and poignant You Can t Buy Love Like That reveals the complex invisible dynamics that arise for gay people who are forced to hide their true selves in order to survive and celebrates the hard won rewards of finding one s courageous heart and achieving self acceptance and self love Five Uneasy Pieces Larry LINDSTROM, 2020-06-08 You Will Not Want to Miss this Memoir An Intimate and Honest Look into the Life of an Addicted Depressed Obsessive Compulsive Gay Stutterer Larry Lindstrom born on Groundhog Day 1955 grew up in suburban northern New Jersey Read about Larry s childhood living in a house on the corner in Pequannock NJ growing up in the 1960s He encounters a new world at the age of 18 when he loses his father and at the age of 29 his mother Eighteen years later he would lose his younger brother Larry seems to drive in the fast lane discovering addictions to sex alcohol marijuana and food Depression takes hold and puts up many roadblocks to growth The road ahead is looking impassable He discovers a strange set of obsessions and rituals that begin to control his thinking and his behavior It feels like his car is out of control He labels this as OCD Larry makes many friends but fears betraying them with his secret life of homosexuality Unable to fully embrace the gay community he suffers in silence trying to fit in The outcome is inevitable failure and frustration As a final pothole in the road of life Larry is plagued with a stutter a speech disability that seems to draw the spotlight to his inadequacies It seems Larry is forever driving to the gay and exciting life of the city or clinging to his comfortable memories of his hometown

A passion develops for driving that mirrors his search for his true identity. He likes adventure and finds it all while discovering who he really is and where he will eventually wind up. It is a blinding road at times but Larry perseveres. Larry wrote his memoirs over a ten year period that reveals the challenges and growth he experienced as he was writing. This is a book that shows how one man endures a life of addiction, depression, OCD, gay identity, and stuttering. Different from all the rest, Larry gives it his best to find peace within his *Five Uneasy Pieces*. **Later** Paul Lisicky, 2020-03-17. A stunning portrait of community identity and sexuality by the critically acclaimed author of *The Narrow Door*. When Paul Lisicky arrived in Provincetown in the early 1990s, he was leaving behind a history of family trauma to live in a place outside of time known for its values of inclusion, acceptance, and art. In this idyllic haven, Lisicky searches for love and connection and comes into his own as he finds a sense of belonging. At the same time, the center of this community is consumed by the AIDS crisis, and the very structure of town life is being rewired out of necessity. What might this utopia look like during a time of dystopia? Later, Lisicky dramatizes a spectacular yet ravaged place and a unique era when more fully becoming one's self collided with the realization that ongoingness couldn't be taken for granted and staying alive from moment to moment exacted absolute attention. Following the success of his acclaimed memoir *The Narrow Door*, Lisicky fearlessly explores the body, queerness, love, illness, community, and belonging in this masterful, ingenious new book. **Autobiography of My Hungers** Rigoberto González, 2013-05-06. Rigoberto González, author of the critically acclaimed memoir *Butterfly Boy*, takes a second piercing look at his past through a startling new lens: hunger. The need for sustenance, originating in childhood poverty, the adolescent emotional need for solace and comfort, the adult desire for a larger world, another lover, a different body—all are explored by González in a series of heartbreaking and poetic vignettes. Each vignette is a defining moment of self-awareness, every moment an important step in a lifelong journey toward clarity, knowledge, and the nourishment that comes in various forms. Even the smallest, biggest joys help piece together a complex portrait of a gay man of color who at last defines himself by what he learns, not by what he yearns for. **Bill Whitehead Award for Lifetime Literary Achievement**. Publishing Triangle. Told in a series of revealing vignettes and poems, González's *Autobiography of My Hungers* turns moments of need and want into revelations of truth and self-awareness, creating the portrait of an artist that is complex, if not entirely complete. *El Paso Times*. Through his provocative vignettes, González communicates a lifetime of struggle for affirmation and self-acceptance. **Make Shift**. **All Screwed Up** Steve Fellner, 2009. Literary Nonfiction. Gay and Lesbian Studies. Memoir. Murder, attempted suicide, missing umbilical cords, haunted quarries, fat camps—these darkly comic stories fill the pages of *ALL SCREWED UP*. Young, gay, and poor, Steve Fellner attempts to shed his trailer park past and seize a better life for himself. But coming from the sticks offers a certain kind of freedom: no one expects anything from you, so you can be as wild and ridiculous as you want. Fellner's humorous and touching memoir centers on his odd relationship with his mother, a woman who was once a championship trampolinist and is now a champion of the unpredictable.
