Luther's Works - Volume 77 Martin Luther, 2009-07-09 About this Volume Few other books communicate the Gospel to Luther's contemporaries so powerfully as Luther's Church Postil sermons for the church year Now for the first time Luther's authorized final edition of the Church Postil edited originally by Caspar Cruciger for the summer half of the year is presented here in English This volume brings forth Luther's sermons on Epistle and Gospel texts from Easter through Pentecost In 1535 Luther wrote to a friend Concerning the earlier version of the postil you have more respect for it than I do I would like the whole book to be destroyed And this is what I am doing I am entrusting to Dr Caspar Cruciger the work of re editing the whole into a new and better form which would be of benefit to the whole Church everywhere He is the sort of man unless love deceives me who will correspond to Elisha if I were Elijah if one may compare small things with great a man of peace and quiet to whom I shall commend the church after I depart Philip does this too Benefits of Luther's Works American Edition vol 77 Church Postil III Accurate and clear translation An early 20th century version of these sermons was inaccurate and stilted Commentary on the chief biblical text for the seasons of Epiphany Ascension and Pentecost Includes the careful explanatory introductions and footnotes that have become a hallmark of Luther's Works American Edition Fully indexed Edited by Benjamin T G Mayes and James L Langebartels About the Series The 28 planned new volumes are intended to reflect both modern and sixteenth century interests and to expand the coverage of genres underrepresented in the existing volumes such as Luther's sermons and disputations The primary basis for the translation is the comprehensive Weimar edition

**Sámi Nature-Centered Christianity in the European Arctic** Tore Johnsen, 2022-07-22 Sámi Nature Centered Christianity in the European Arctic unpacks the theological significance of North Sámi indigenous Christianity demonstrating how the tension between Sámi nature centered Christianity and official Norwegian Lutheranism has broad theological relevance Focusing on Christian cosmological orientation the author argues that this is not fully given within the Christian faith itself It is partly shaped by the religious philosophical frameworks that various historical receptions of Christianity were filtered through The author substantiates that two different types of Christian cosmological orientation are negotiated in the North Sámi Christian experience one reflecting a Sámi historical reception of Christianity primarily filtered through the egalitarian world intuition of the Sámi indigenous tradition another reflecting official Norwegian Lutheranism primarily filtered through a Greek hierarchical world construct passed down among European intellectual elites The argument is developed through thick description of local everyday Christianity among reindeer herding river and sea Sámi communities in Finnmark Norway through critical engagement with historical and contemporary Lutheranism and through constructive dialogue with African and Native American theologies The author suggests that the egalitarian multi relational logic of Sámi nature centered Christianity points beyond the hierarchical binaries delimiting much of the theological imagination of dominant Christian theologies

**Justification as the Speech of the Spirit** Jeffrey K. Anderson, 2021-08-10 In the past few

decades there have been an increasing number of authors and movements that reject the classic Protestant understanding of justification e g the New Perspective on Paul Auburn Avenue Theology the Renewal Movement etc While the various proposals differ in many respects they are generally united in their rejection of justification as a legal declaration made by the Father about the believer based on the work of the Son In particular among renewal Pentecostal Charismatic authors there have been several attempts to redefine justification insisting that it is an umbrella term incorporating numerous redemptive ideas rather than a declaration of the believer s righteousness These attempts are in part rooted in the absence of any overt pneumatology in the doctrine s typical formulation One need only read the above sentences to see that there is no mention of the Holy Spirit This book addresses these and other concerns especially by renewal authors and demonstrate that the doctrine is in fact pneumatologically informed albeit latently rather than blatantly As a result there is no need to redefine the theology of the Reformers and their successors

*Eucharist* Ola Tjorhom,2023-07-14 The Eucharist is the sacrament of Christ s presence his real presence Here he comes to us in bread and wine through outward and material signs that are accessible to all This is an expression of infinite grace However when Jesus gives himself to us we are called to share ourselves and what we have with others Thus the Eucharist also becomes the sacrament of fellowship and unity It is a sacrament in and for our wounded world a sacrament of life in the widest sense The reflections in this book are grounded in the Lutheran tradition combined with an open ecumenical approach They aim at unfolding some of the wealth of the Lord s Supper in a concise and accessible way

**Death until Resurrection** Joseph Saligoe,2020-03-11 What really happens to the soul when people die This groundbreaking book may appeal both to Luther experts and to those who know little about the Reformer It demonstrates that Luther constantly taught over the last twenty four years of his life that death is like an unconscious sleep It also shows why this matters today for Christians Death until Resurrection is a great first step in understanding God s plan for renewal of the creation that can alleviate our common fears about death Seeing what exactly the scriptural writers meant regarding death as interpreted by one of the most prominent church leaders ever also provides the benefit of helping us better understand core doctrines such as our resurrection the nature of hell and eternal life through salvation This book offers that which very few writers on Luther have done an explanation that can unravel his apparent contradictions and the Luther paradox on the nature of death and the soul using Luther s own words scattered throughout his voluminous writings Learn which group of widely acclaimed authors or experts on Luther was correct about what Luther believed about death Lohse and George or Althaus and Thiselton

**C.F.W. Walther's Original Der Lutheraner Volumes One through Three (1844-'47): The LCMS in Formation** C. F. W. Walther,2012-05-07 [The Work of Faith](#) Justin Nickel,2020-08-31 Many scholars assume that Luther advocates for a Christian life in which human beings are always passive recipients of God s grace as it is delivered in preaching and mere instruments through which God works to serve their neighbors The Work of Faith Divine Grace and Human Agency in Martin Luther s Preaching offers a different reading of

Luther's views on human agency by drawing on a fresh source Luther's preaching Using Luther's sermons in the Church Postil as a primary source Justin Nickel argues that Martin Luther preached as though Christians have real if secondary agency in the lives they lead before God and neighbor As a result Nickel presents a Luther substantively concerned with how Christians lead their lives
