**Los Angeles Police Department Meltdown** James Lasley, 2012-08-08 Once considered among the most respected police departments in the world the LAPD suffered a devastating fall from grace following the 1991 police officer beating of Rodney King and the Los Angeles riots stemming from the officers acquittal in 1992 Unique to the literature of policing management and policy studies Los Angeles Police Department Meltdown The Fall of the Professional Reform Model of Policing presents what can be considered the first and only existing research document truly explaining the reasons behind the LAPD's demise The book reveals a special inside study performed by the author under the exclusive authority of LAPD Chief of Police Daryl Gates to investigate why the department had begun to disintegrate following the Rodney King incident and how if possible it could be salvaged The findings presented are based on first hand written accounts of LAPD officer informants who describe their observations of the department's meltdown as it occurred These accounts explain why the crime fighting enforcement style of the once highly regarded Professional Reform Model of policing coined at the LAPD was abandoned in police departments across the nation in favor of the less aggressive community based policing model Lost for some 20 years under mysterious circumstances after collection and storage at the LAPD these officer informant materials were recently retrieved and made available for analysis They are presented in their entirety in this book In every respect this work is the final word on why and how the LAPD a police organization emulated throughout the world ultimately self destructed after 41 years of serving and protecting the City of Angels

**The Truce** Karen Umemoto, 2018-07-05 This ethnography of a gang war in the Los Angeles neighborhood of Oakwood just blocks from the famed Venice Beach boardwalk provides a rare eyewitness account of the urban violence pervasive in the recent history of the United States With seventeen people killed and more than fifty injured the hostilities over ten months in 1993 and 1994 marked the peak of gang violence in the history of Los Angeles a city once labeled the gang capital of the nation The conflict began as a quarrel among individuals some of whom had gang affiliations Over time the feud engulfed families and soon grew into a sustained clash between African American and Latino gangs Eventually victims fell who were not members of opposing gangs but who fit certain racial and gender profiles The conflict began to take on the attributes of what one local newspaper sensationalized as a race war Karen Umemoto lived nearby during this conflict and undertook two years of ethnographic research during and immediately following the spate of killings She now offers a nuanced analysis of the trajectory and eventual end of this acute crisis Her interviews with gang members neighborhood residents business leaders police officers and gang intervention workers reveal the complexity of contemporary American urban conflict The Truce highlights the differences in interpretations among combatants witnesses and law enforcement agents and others whose actions often had unintended consequences Drawing on her experience living in multicultural Los Angeles and on the latest scholarship in a wide variety of disciplines Umemoto provides much needed guidance for policymakers and concerned members of the public faced with

violence in an ever changing urban landscape      **Race, Police, and the Making of a Political Identity** Edward J. Escobar, 1999-09 This book offers a fascinating examination of the historically volatile relationship between the Mexican American community and the Los Angeles Police Department Within the vibrant backdrop of Los Angeles Escobar probes and interprets the roots of cultural misperception and social paranoia which culminated in the infamous Zoot Suit Riots      Los Angeles Police Department Bomb Squad Service Training Manual ,1942      **Police in America** Steven G. Brandl, 2020-01-07 Grounded in evidence based research Police in America provides a comprehensive and realistic introduction to modern day policing in the United States This reader friendly text helps students understand best practices in everyday policing and think critically about the many misconceptions of police work Author Steven G Brandl draws from his experience with law enforcement to emphasize the positive aspects of policing without ignoring its controversies Brandl tackles important topics that center on one question What is good policing Included are discussions of discretion police use of force and tough ethical and moral dilemmas giving students a deeper look into the complex issues of policing to help them think more broadly about its impact on society This title is accompanied by a complete teaching and learning package      **California.
