Authors Sabrina Inowlocki, 2018-12-10 Eusebius and the Jewish Authors examines Eusebius of Caesarea s use of non biblical Jewish texts e g Philo Josephus Aristobulus in his Praeparatio evangelica and Demonstratio evangelica In the first part Sabrina Inowlocki looks at the citation process in Ancient Greek Literature and in Eusebius own double apologetic work She also analyzes Eusebius conception of Judaism The second part is devoted to a detailed study of Eusebius methodology in appropriating these texts from both a philological and a philosophical theological perspective Through the lens of his

exploitation of Jewish quotations this book defies the traditional perception of Eusebius as being a mere compiler and nuances the manner in which his presentation of the relation between Judaism and Christianity is often seen This study will be very useful to readers interested in the reception of Jewish texts in Christian literature in the relations between Judaism and Christianity and in Christian apologetics This translation was made possible through a generous grant from the Fondation Universitaire in Brussels www.fondationuniversitaire.be Paroles d'Apollon Aude Busine, 2005-12-01 This book deals with the making and the reuses of the divine words which were ascribed to Apollo from the 2nd to the 6th centuries AD and which have now become available in both epigraphical and literary sources The larger part has been issued by the sanctuaries of Claros and Didyma This comprehensive and historical approach analyses the oracles of Apollo according to the various contexts ancient authors used to resort to the sacred words The first part of the book examines in the context of the Graeco Roman city states the oracular texts in relation to the sanctuaries where they had originally been produced The second part explores the different ways in which the Apollinian oracles were reappropriated by pagan and Christian authors for philosophical polemical and apologetic purposes This study of the sacred texts reveals in an original manner the cultural political and religious life of pagans and Christians in the Roman Empire **Origene e la tradizione Alessandrina** Lorenzo Perrone, 2003 *Les Romains chrétiens face à l'histoire de Rome* Hervé Inglebert, 1996 The Library of Lactantius Jackson Bryce, 1990 **Papers Presented to the Tenth International Conference on Patristic Studies Held in Oxford, 1987** Elizabeth A.
