**Sex and Race, Volume 1** J. A. Rogers, 2014-09-15 In the Sex and Race series first published in the 1940s historian Joel Augustus Rogers questioned the concept of race the origins of racial differentiation and the root of the color problem Rogers surmised that a large percentage of ethnic differences are the result of sociological factors and in these volumes he gathered what he called the bran of history the uncollected unexamined history of black people in the hope that these neglected parts of history would become part of the mainstream body of Western history Drawing on a vast amount of research Rogers was attempting to point out the absurdity of racial divisions Indeed his belief in one race humanity precluded the idea of several different ethnic races The series marshals the data he had collected as evidence to prove his underlying humanistic thesis that people were one large family without racial boundaries Self trained and self published Rogers and his work were immensely popular and influential during his day even cited by Malcolm X The books are presented here in their original editions

*Lady Chatterley* Derek Britton, 2023-03-31 First published in 1988 *Lady Chatterley* explores the events and experiences which surrounded D H Lawrence s writing of his infamous last novel *Lady Chatterley s Lover* The account begins with Lawrence s return to Europe in September 1925 and ends with the publication in June 1928 of the final draft of a novel which exists in three related yet dissimilar versions Derek Britton adds a great deal of new material to the established facts and theories concerning Lawrence s life and work during this period In the chapters covering Lawrence s return to the Midlands in September 1926 when the collapse of the national miners strike in that area was imminent a detailed reconstruction of Lawrence s journeys and experiences reveals the extent to which the themes of the novel the social and physical aspects of the landscape and Lawrence s initial impulse to write depended crucially on the author s last visit to his native region This book will appeal both to those with special interests in Lawrence and the modern novel and to the general reader

*Living at the Edge : a Biography of D.H. Lawrence and Frieda Von Richthofen* Michael Squires, Lynn K. Talbot, Lynn Kiefer Talbot, 2002 Dashing told and meticulously researched this double biography of D H Lawrence and his wife Frieda von Richthofen is the first to draw fully on Frieda s unpublished letters and on interviews with people who knew her well It explores their collision with an industrial world they hated and chronicles the stormy relationship between husband and wife The strong sexual vitality that inspired Lawrence s art brought both joy and anguish to his marriage Here the Lawrences emerge as proud but not conceited in their unconventional lives staunch in the face of fierce opposition from a conformist society *Living at the Edge* follows the separate lives of Lawrence and Frieda up to their first meeting in 1912 Tracing their new life together it depicts their grateful escape from the English Midlands their discovery of exotic places where they made temporary homes Italy Cornwall Australia New Mexico and Mexico Lawrence s courageous battle against illness and after his death in 1930 Frieda s success in recreating the simple life on ranches near Taos New Mexico where she died in 1956 At the center of their story is Lawrence s literary career Biographers Squires and Talbot see Lawrence s major

novels *The Rainbow* *Women in Love* *Lady Chatterley's Lover* as a fresh way to understand his turbulent and conflicted life. They reveal the extreme care with which he rewrote his personal experience to satisfy his deepest needs and they introduce the many influential people who entered the Lawrences' lives and work. The rich materials from Frieda's letters reveal a different Lawrence, more difficult as a man but more interesting as an artist; they also reveal a different Frieda, more vibrant as a woman, more substantial as a companion. This superb biography gives both Lawrence and Frieda striking new dimensions.

**Constitutionalism in Asia** Wen-Chen Chang, Li-ann Thio, Kevin YL Tan, Jiunn-rong Yeh, 2014-02-19. This book of text cases and materials from Asia is designed for scholars and students of constitutional law and comparative constitutional law. The book is divided into 11 chapters arranged thematically around key ideas and controversies, enabling the reader to work through the major facets of constitutionalism in the region. The book begins with a lengthy introduction that critically examines the study of constitutional orders in Asia, highlighting the histories, colonial influences, and cultural particularities extant in the region. This chapter serves both as a provisional orientation towards the major constitutional developments seen in Asia, both unique and shared with other regions, and as a guide to the controversies encountered in the study of constitutional law in Asia. Each of the following chapters is framed by an introductory essay setting out the issues and succinctly highlighting critical perspectives and themes. The approach is one of challenge and response, whereby questions of constitutional importance are posed and the reader is then led by engaging with primary and secondary materials through the way the various Asian states respond to these questions and challenges. Chapter segments are accompanied by notes, comments, and questions to facilitate critical and comparative analysis, as well as recommendations for further reading. The book presents a representative range of Asian materials from jurisdictions including Bangladesh, China, Hong Kong, India, Japan, Mongolia, Nepal, Pakistan, South Korea, Sri Lanka, Taiwan, Timor-Leste, and the 10 ASEAN states.
