## **Matthew Explanatory Notes Commentary:**

**Incomplete Commentary on Matthew (Opus imperfectum)** Thomas C. Oden, 2010-05-19 Despite some gaps in coverage the Incomplete Commentary on Matthew has long been prized for its early and lengthy exposition of the Gospel of Matthew Thomas Aquinas noted that he would rather have a complete copy of the Incomplete Commentary on Matthew than to be mayor of Paris The commentary which is of sufficient length to require 2 volumes in translation is offered here for the first time in English translation and is designed for pastors teachers students and lay people interested in the early church's interpretation of Matthew's Gospel

**Matthew** John Wesley, 2015-06-22 The Notes Upon The New Testament is considered to be one of John Wesley's principal works and its readability influence and popularity has remained since the time of its publication until today First printed in 1755 by William Bowyer John Wesley's Notes Upon The New Testament were entirely his own work written during a period of illness which forced him to abandon his usual routine of travel and preaching He would write from 5 am 9 pm every day unless he was riding eating or taking his personal devotion time 5 6 pm each evening Charles Wesley assisted in some ways including his translations of the gospels and in other unspecified ways Wesley cites his influences for the New Testament Notes as the Gnomon Novi Testamenti of Bengel the Paraphrase of Dr Guyse the Theological Lectures of Dr Heylin and the Family Expositor of Dr Doddridge The fourth and fifth editions of the Notes contained corrections by John Charles Wesley and others

*John Wesley's View and Use of Scripture* Mark L. Weeter PhD, 2007-01-01 John Wesley by his own words considered himself a Man of One Book meaning of course the Scriptures Yet what does this seemingly declarative statement really mean What was Wesley's view on the inspiration authority and even the infallibility of Scripture This question is more than a historical curiosity when we recognize the current debate between evangelical groups over their views of the authority of Scripture Recognizing the debt all Wesleyan movements have to Wesley's teachings and doctrines this book will attempt to answer some critical questions about Wesley's view and use of the Bible How did Wesley develop his views How did he incorporate Scripture into his development of the Methodist movement What was the position of Scripture in what has become known as the Wesleyan Quadrilateral of reason experience tradition and Scripture What were his views on inspiration and infallibility and would his principles of interpretation hold up against modern critical scholarship Finally and perhaps most importantly what influence did Wesley's view and use of the Bible have upon the success of the Wesleyan Revival Are there lessons we can still learn from Wesley that could impact the world and church of the twenty first century This book will attempt to answer these and many other fascinating questions about John Wesley a Man of One Book

Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease *The American Catalogue* ,1881 American national trade bibliography **Beacon Bible Commentary: Matthew-Luke** ,1969 *Studies in the C.L.
