Maverick Solitary Travelers:

Maverick Bill Craig, Judy Bullard, 2014-06-10 *Maverick Solitary Travelers* He awakened in a burnt out wagon train below the Rockies with no memory of who he was There was nothing to tell him either So he took the name that Texans called unbranded cattle and made his way into the mountains to try and carve out a new life for himself in the wild west However the man calling himself Maverick has enemies on his back trail anxious to put a bullet in his back and the only thing keeping him alive is courage and a deadly hand with a gun As Maverick travels into the Rockies he meets other solitary travelers riding the same trail *Maverick's Progress* James T. Flexner, 1996 Flexner a biographer and historian and a recipient of prestigious awards including the National Book Award and a Special Pulitzer Prize chronicles his development as a writer from his experiences as a journalist to his historical biographies He reveals his methodology as a biographer and discusses his work as an advisor to historical sites and as president of PEN and the Society of American Historians as well as his personal relationships Contains bandw photos Annotation copyright by Book News Inc Portland OR **Mavericks** ,1892
