**Mexico's Veracruz Adventure Guide** Joanie Sanchez, 2014-05-27 This guide is drawn from our larger book on Mexico's Gulf Coast but here we focus on the region of Veracruz including Tuxpan Papantla Costa Esmeralda Tlacotalpan Xalapa Coatepec Xico Orizaba Cordoba San Andres Tuxtla and the town of Veracruz itself. We travel to grow OCo our Adventure Guides show you how Experience the places you visit more directly freshly intensely than you would otherwise OCo sometimes best done on foot in a canoe or through cultural adventures like art courses cooking classes learning the language meeting the people joining in the festivals and celebrations This can make your trip life changing unforgettable All of the detailed information you need is here about the hotels restaurants shopping sightseeing But we also lead you to new discoveries turning corners you haven't turned before helping you to interact with the world in new ways That's what makes our Adventure Guides unique. The area of Veracruz Tabasco and north to the US border is a throwback to Mexico of old It has volcanoes rainforests Maya ruins and such abundant wildlife that you will see hundreds of toucans and an island filled with monkeys Experience the dance and music of Veracruz birthplace of La Bamba the fabulous local foods of Xalapa the local festivals the miles of pristine coastline Mexico's tallest mountain the sheer beauty of the jungles Town and regional maps a Reviews Great Guide for a Much Overlooked Part of Mexico I'm planning a trip to Veracruz soon so I was delighted to find this book recently All I was able to find before were general Mexico travel guides which gave scant attention to the state of Veracruz or the Gulf Coast area This guide gives excellent in depth information on this much overlooked part of Mexico All the cities and towns I plan to visit were listed in this guide and good information on lodging was given The general Mexico guides seem to recommend only the most expensive places to stay while the Gulf Coast guide also includes budget accommodations There was also good information on the archaeological sites to visit where to stay and how to get there Best of all there was information in this book that I hadn't been able to find on the internet which is where I had been augmenting the meager information on Veracruz that was in my other Mexico travel guides In addition to the well researched and well presented written material the book contains a nice section of color photographs many of which were taken by the author. Marie McC VA United States. This is the only guidebook I've ever seen that focuses on the Gulf Coast states of Mexico. Fortunately it's an excellent one If the Gulf Coast of Mexico is of interest to you you should definitely add this book to your collection Super helpful book if you're looking to be more adventurous than just going to Cancun Seems to be very well researched and has a fresh just been there feel to it S D Barnes [Geographical Atlas of the State of Veracruz/Mexico](#) María de los Angeles Trigos Landa, Héctor F.
