The Social Work and LGBTQ Sexual Trauma Casebook Miriam Jaffe, Megan Conti, Jeffrey Longhofer, Jerry Floersch, 2019-10-29 This inspiring text offers a collection of case studies from expert clinical social workers who work closely with survivors of LGBTQ related sexual trauma The book covers a wide range of topics such as gender and sexual minority asylum seekers the embodiment of queer identity the role of religion regionality in the LGBTQ experience and effective use of gay affirmative therapy Each chapter is framed by key questions that encourage students and mental health practitioners to think through the specific needs and challenges of LGBTQ individuals who have experienced sexual trauma Additional resources include an example of effective supervision and an example of a case conceptualization Drawing on the importance of narrative social work and the record of experience it provides The Social Work and LGBTQ Sexual Trauma Casebook is an essential text for students and clinical social workers working with LGBTQ survivors of sexual trauma

Firms as Political Entities Isabelle Ferreras, 2017-10-25 When people go to work they cease to be citizens At their desks they are transformed into employees subordinate to the hierarchy of the workplace The degree of their sense of voicelessness may vary from employer to employer but it is real and growing inflamed by populist propaganda that ridicules democracy as weak and ineffective amid global capitalism At the same time corporations continue untouched and even unremarked as a major source of the problem Relying on economic bicameralism to consider firms as political entities this book sheds new light on the institutions of industrial relations that have marked the twentieth century and argues that it is time to recognize that firms are a peculiar institution that must be properly organized in order to unshackle workers motivation and creativity and begin nurturing democracy again For more information please visit the accompanying website www.firmsaspoliticalentities.net

The right and the recession Edward Ashbee, 2015-07-01 The right and the recession considers the ways in which conservative activists groupings parties and interests in the US and Britain responded to the financial crisis and the Great Recession that followed in its wake The book looks at the tensions and stresses between different ideas interests and institutions and the ways in which they shaped the character of political outcomes In Britain these processes opened the way for leading Conservatives to redefine their commitment to fiscal retrenchment and austerity Whereas public expenditure reductions had been portrayed as a necessary response to earlier overspending they were increasingly represented as a way of securing a permanently leaner state The book assesses the character of this shift in thinking as well as the viability of these efforts to shrink the state and the parallel attempts in the US to cut federal government spending through mechanisms such as the budget sequester
