Merit List Of Somaya:

Pride and Purpose Priya Somaiya, 2020-09-18 Our mental paradigm about leadership must shift argues author Priya Somaiya and *Pride and Purpose* achieves just that. It is a fascinating compilation of experiences and stories and her tryst with leaders and leadership from all walks of life. Not all of leadership is about positional power and control. Rather, most of it silently and sensitively engages with building and transforming lives, organisations and society. The complex intersection and convergence of diverse personalities, skills, styles and qualities in leaders presented in various chapters of the book appear to impact human experiences in similar and yet diverse ways. Leaders influence thought and perception, aspiration and motivation. They earn respect and trust. They create resolute will and discipline and demonstrate working through failure and pain. Leaders interface hugely with time and the elusive framework of the future. They role model risk taking and a lasting passion for learning. Dr Somaiya's work weaves all these dimensions together in a converging mosaic around leadership behaviours which appear to strengthen the significantly important pillars around which all leadership devolves: the feeling of pride and the anchoring of purpose in life.

The Mumbai Factfile Derek O'Brien, 2003 On miscellaneous facts about the city of Bombay, India.

Unwilling to Bend Priya Somaiya, 2019-06-24 The phoenix can only rise if there is a large and credible purpose. In this filigree of enchanting stories, Priya Somaiya effortlessly crafts the lives and experiences of a few women, revealing the interwoven complexity of emotions and astounding actions that could shift many mental and emotional paradigms. Sahiba undergoes a massive identity transformation and confronts undefinable tragedy with quiet courage; the determined Shakun cannot be appreciated by people who perceive the world largely through class, caste and gender biases; how can women like Fatima and Ramoli challenge the entrenched norms governing women in feudal structures? Shailaja doesn't realise that the universe does partner in fulfilling strong aspirations in the most mysterious ways when a girl child is thrown on a railway platform after she is born and grows up on the same platform: what does it mean to just breathe and survive? Widowhood in India is still neither here nor there and if Pushpa could weather the worst storm of widowhood, she can just sail through. Others, Asma, changes her name to redefine her identity and feels empowered to alter her life. These are stories of faith and humanity. It takes brazen guts and conviction in the goodness of human nature to believe that attitudinal positivity can turn around one's life. Rare and life-changing.

Unwilling to Bend posits that courage is the most beautiful colour of the mind.
