*Reluctant Reversal Revenge* J. D. Richards, 2013-03-29 Jake has always been a bit of a womanizer but finds himself over his head when he crosses Andrea an old fling he had a one night stand with and wakes up gagged and bound to a bed in her basement Worse to his horror he finds that he is now a woman Andrea s revenge is only beginning when she reveals the assortment of toys to the bound and changed man and it only gets worse from there This story is intended for mature audiences only and features scenes of gender transformation light BDSM reluctant toy play gender swap sex and is 5700 words in length Excerpt When I awoke my whole body ached and my muscles burned like I d just done a marathon game of twister for the last thirty six hours straight I tried to shout for help tried to roll over but found myself unable to move Something rubbery was pressed into my mouth and I could feel straps digging into my wrists and ankles pulling my limbs taut and splaying me wide I can t believe you didn t remember me the redhead said from beside me She leaned in over my face peering down at me and giving me a scornful little shake of her head We hooked up about six months ago You never called me back She reached out and grabbed me jaw and I could just barely make out that something large was stuffed into my mouth and strapped around my head stretching my jaw apart rather uncomfortably I tried to speak but it came out muffled Higher pitched too Twice actually I ran into you about three months ago and you didn t remember me then she said Didn t even remember my name Andrea It s Andrea Andrea leaned in close until her lips were nearly brushing my ear I didn t think this would work There was more in that drink than a sedative Jake Something that took me a lot to get ahold of A powerful drug that s changed you Changed your body into something more suitable for my lesson Don t worry it s not permanent She pushed my face away and rose Unfortunately I blinked and frowned Changed my body My eyes tried to look past the gag in my mouth but my head could barely move in the restraints that held me fast to the bed Bands pulled at my limbs as I struggled to peer at my supine form and my neck screamed as I pulled at my bonds I struggled and strained and blinked as I saw the unmistakable swell of breasts beneath my shirt No way No freaking way That that wasn t possible right Panic wrenched at my gut twisting at my insides I tore at my bonds again in a sudden blind frenzy This wasn t real Whatever Andrea had put in my drink had made me hallucinate I was passed out on that bed in her basement dreaming all sorts of crazy crap Right

*Swapped at Burning Man* Alyson Belle, 2017-09-25 This weekend was supposed to be about fun drugs and getting laid But now that this weird chick turned me into a busty sex crazed bimbo I m the one making sure everyone get laid What s a girl to do Jake Thomas has always heard stories about the crazy wild things that go on at the Burning Man festival in Nevada s Black Rock Desert and this year he s worked up the nerve to ask his Burner friends to bring him along with them But when they arrive they re pretty disappointed to discover that Jake hasn t packed at all correctly for the harsh desert landscape No problem Jake figures Taking is the other part of giving so he ll just take whatever he needs from the generosity of strangers whether it s food water or drugs But when a mysterious girl in a silver bikini takes issue with Jake s

bad attitude she slips him a pill in the cool interior of her tent to teach him a lesson about the importance of learning to give. Now Jake is trapped in the body of a gorgeous golden haired vixen whose form was just made for pleasure. And thanks to the MDMA he took right before his transformation he's afraid he's going to be giving a whole lot of that pleasure to anyone and everyone who wanders along his path.

From Geek to God Jezabel Foxx, Jake was tired of always being the scrawny picked on one at college. For as long as he could remember he'd always fantasized of a way to ditch his small weak body and get the body he'd always wanted. Sure he could work out like it was nobody's business but that was just too much work. Ain't nobody got time for that. One day after his chess club meeting his one and only friend Anita brought him some spectacular news. Apparently a new breakthrough has been made and she's the only one who can get her hands on it. Does Jake take his friend's offer giving him a shortcut to the one thing he's always desired? How does Anita react when her friend becomes a hunky God of a man? Will she still relegate him to the friendship zone? Or will she suddenly be panting and lusting after his body?

*From Brutish to Buxom: Waking Up a Woman (A Gender Swap Erotic Story)* Sage Reamen, 2013-11-17 When aspiring MMA fighter Ryan accidentally signs up for a women's medical study designed to reverse the body's production of male and female hormones he is shocked to discover his body has transformed into that of a beautiful young woman. Unable to reach the doctor who prescribed him the bizarre drug Ryan decides to head to the gym to work these problems out the old fashioned way. But when a surprise encounter with a handsome roguish personal trainer leads to a no holds barred sparring match Ryan realizes that the strange stirrings within this new female body can be only be sated in one way through the touch of a man. As a gathering group of onlookers watches their fight Ryan finds herself unable to resist making the first move. And when the crowd of muscular attractive onlookers decides to join in she's not about to say no to the free training session. This story contains erotic gender bending first time encounters as a woman masturbation exploration multiple partners and an unpredictable drug that turns men into horny beautiful women. Excerpt I enjoyed watching him scramble to get the equipment ready. I'd never had someone at my beck and call like this before especially not someone as suave and good looking as Jake. I could almost get used to this sort of thing. The few remaining employees at the gym had gathered around realizing they were about to get a good show. All of them were guys. I could see several of them stealing glances at me their hungry eyes travelling over the contours of my new body. And why shouldn't they? I looked damn good and I knew it. And I can't say that I really minded their stares. It was actually kind of nice to be getting so much attention from the cream of the crop. These were guys I had always looked up to the fittest most professional guys at the gym and now they were all focused on me. It was flattering and somehow incredibly arousing. I'd have to give them a good show. Soon Jake and I were padded up and ready to go. Jake was going easy to start out dancing back and forth keeping his guard low and showboating a bit for the gathered crowd. Obviously he wasn't worried about what some random girl he'd never seen before could do. When I took a few shots at his face then surprised him with a body blow followed by a low kick all the guys erupted in cheers. That's when I

went for a takedown Jake was still reeling and definitely didn't expect it so even though I hit him with a lot less force than I was used to he lost his balance and we both tumbled over backwards The crowd went silent probably almost as surprised as he was to see one of the best fighters at the gym suddenly taken down by an unknown lady I found myself on top of him his left arm in a lock my breasts pressed up against his face I could feel the heat of his body smell his scent I'd never really paid attention to what guys smelled like before the deep musky aroma mingled with the sweat of a good workout It was strangely intoxicating causing my head to swim with unexpected new sensations and dirty thought I didn't even know I had I'd always hated being simply overpowered by the much larger more muscular fighters Being completely at their mercy had been my biggest pet peeve But now it occurred to me that with my new body with the way guys like Jake would treat me it didn't have to be quite the same There were things I could do little things that guys like Jake would never be able to fully guard against I just had to be ready and willing and completely utterly shameless
