

Jame's Alliance Leveling Guide - Grizzly Hills (75-77)

Journey from Grizzly Hills to Zul'Drak

Introduction

This guide is made for **FAST** leveling through the use of [Optimized Quest Circuits](#). With this guide, questing will be very efficient and you'll not waste any second running around and trying to figure out in which order to do your quests. Follow each instruction carefully and you will see for yourself. The quest choices and order to do them are optimal so that you run as few as possible while doing the most possible, turning several quests at the same time. It will be like grinding, because you'll be killing stuff almost non-stop, besides you'll also be completing a bunch of quests at the same time!

NOTE: Following this guide will get you the **Quest Achievement** for Grizzly Hills: [Fo' Grizzle My Shizzle](#). In fact, 100% of the quests of Grizzly Hills are included in the guide, or at least mentioned as optional.

The only one I didn't include is a daily quest called [\[74\] Riding the Red Rocket](#). For two reasons:

1. This quest is only available if your faction controls the Venture Bay lighthouse.
2. It's rather annoying to do it without a flying mount. I recommend skipping this quest while leveling up and coming back to do it at level 80 and once you have your flying mount.

Everything described in this guide can be done solo (beside when I say otherwise). You can, of course, follow this guide while duoing, grouping, it's not a problem, it works too.

DISCLAIMER: This guide does **NOT** take into account tradeskills, class specific quests or PvP. *It's 100% focused on getting the most experience possible in the shortest possible time* while doing a lot of quests and enjoying as much content as possible. Any race/class combination can do this guide. Any complaints about PvP, tradeskills, or class specific issues will be ignored.

Basic rules

- Spend your talent points so that you kill things as fast as possible. (e.g: Priest should specialize in Shadow Talents, Warriors in Arms/Fury, etc)
- Don't waste your time trying to find groups for questing, you can solo everything that is described in this guide unless I say otherwise. Only group with someone when it's not gonna be a waste of time (e.g: meeting the person at the other end of the zone to show him the way to where your quest is, that is a waste of time)
- Try to always log out in an inn or in one of the major cities when you take a break.

Useful Addons

To get the most out of my guide, you should get an addon which displays coordinates, because I use them to describe locations in my guide (x,y). You can use any addon you like, but here's a very simple one I use
