PROSPERITY GOSPEL - and it's effect on the 21st Century Church - A Historical and Theological perspective on the Prosperity Gospel DR. JEFFERY B.

BOWENS, 2012-01-27 The Prosperity Gospel has been one of the most talked about discussions of the 21st century particularly within the Christian Community The battle line has been drawn by prominent theologians influential scholars pundits and televangelists alike who are on different sides of this debate and no one is conceding ground to anyone else The narrow view simply places emphasis and focus on a more capitalistic view of prosperity such as exquisite homes fashionable wardrobes excessive wealth expensive cars material and temporal possessions Things which are tangible and are seen have come to symbolize for many prosperity and achieving the American dream On the other hand the broader perspective of prosperity is associated with possessing good health accomplishing one's goals experiencing a changed life having a healthy home life seeing others become productive members of society and maintaining a perpetual fellowship with the creator Wherefore this material will help the reader to be more distinct and precise in defining the different nuances of prosperity from a historical and theological perspective

Revelation Gerald McDaniel,2018-02-09 One of the things that this author has noticed concerning other commentators on the book of Revelation is that typically many brilliant authors who normally would write wonderful information on other parts of the Bible would throw the simple guidelines on how to interpret the Bible out the window when coming to the book of Revelation For some reason many commentators would move the entire book of Revelation into figurative language and totally miss what God is telling us in the book of Revelation Please see another book by this author How to Study the Bible for Yourself which contains and explains the ten laws of hermeneutics Please read this book Revelation very carefully and with much prayer James John F. MacArthur,2016-06-28 The apostle James the oldest half brother of Jesus was a key leader in the Jerusalem church During the early days of the young church the Jewish believers had been scattered by persecution Out of compassion James wrote this epistle to confront them and motivate them to test the quality and consistency of their faith Pastor John MacArthur will take you through the book of James passage by passage so that you can better understand this short but powerful book and how James gives us practical guidance on issues that also measure our true faith and our spiritual fruitfulness James calls all believers then and now to live a life that demonstrates saving faith marked by godly behavior ABOUT THE SERIES The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates Extensive but straight forward commentary on the text Detailed observations on overriding themes timelines history and context Word and phrase studies to help you unlock the broader meaning and apply it to your life Probing interactive questions with plenty of space to write down your response and thoughts
