Post Office Paranoid Edwin Stuart, 2006-08 Post Office Paranoid is based on my 19 years with the postal service and grew out of work related diaries that I kept for 15 of those years most of them spent as a clerk on the night shift Its main theme is working at the post office and the harassment and games that seem to thrive there due to a combination of factors I don't try to analyze but just demonstrate by using my experience as an example It's a memoir that contains a certain amount of anger bitterness and what probably sounds like paranoia but it's not some monotonous Fear Loathing and Whining Hopefully it's an informative and somewhat humorous look at a place everyone is familiar with but few have seen the inside of The Insurance Salesman, 1923 Abraham Lincoln Research and Interpretive Center, 1991 Publication of the document should not be construed as representing either approval or disapproval by the secretary of the interior The purpose of this document is to provide information for further consideration as a submission to the Congress in compliance with Public Law 101 302 Page 2 of cover Federal Register, 1996 History of the Lemen Family, of Illinois, Virginia, and Elsewhere ...
