Manuscript Print And Memory Studies In Manuscript Cultures:

Indic Manuscript Cultures through the Ages Vincenzo Vergiani, Daniele Cuneo, Camillo Alessio Formigatti, 2017-12-18

This collection of essays explores the history of the book in pre modern South Asia looking at the production circulation fruition and preservation of manuscripts in different areas and across time Edited by the team of the Cambridge based Sanskrit Manuscripts Project and including contributions of the researchers who collaborated with it it covers a wide range of topics related to South Asian manuscript culture from the material dimension palaeography layout decoration and the complicated interactions of manuscripts with printing in late medieval Tibet and in modern Tamil Nadu to reading writing editing and educational practices from manuscripts as sources for the study of religious literary and intellectual traditions to the creation of collections in medieval India and Cambodia one major centre of the so called Sanskrit cosmopolis and the formation of the Cambridge collections in the colonial period The contributions reflect the variety of idioms literary genres religious movements and social actors intellectuals scribes patrons of ancient South Asia as well as the variety of approaches interests and specialisms of the authors and their impassionate engagement with manuscripts English Paleography and Manuscript Culture, 1500-1800 Kathryn James, 2020-02-25 This richly illustrated book provides an essential introduction to the manuscript in early modern England From birth to death parish record to probate inventory writing framed the lives of the early modern English Offering a technical introduction to the handwriting of the period case studies tracing the significance of manuscript to British cultural identity and exercises to practice reading and transcription the book opens the study of early modern English manuscript to a new generation of students and scholars *If All the World Were Paper* Tyler W. Williams, 2024-10-01 How do writing and literacy reshape the ways a language and its literature are imagined If All the World Were Paper explores this question in the context of Hindi the most widely spoken language in Southern Asia and the fourth most widely spoken language in the world today Emerging onto the literary scene of India in the mid fourteenth century the vernacular of Hindi quickly acquired a place alongside classical languages like Sanskrit and Persian as a medium of literature and scholarship The material and social processes through which it came to be written down and the particular form that it took as illustrated storybooks loose leaf textbooks personal notebooks and holy scriptures played a critical role in establishing Hindi as a language capable of transmitting poetry erudition and even revelation If All the World Were Paper combines close readings of literary and scholastic works with an examination of hundreds of handwritten books from precolonial India to tell the story of Hindi literature s development and reveal the relationships among ideologies of writing material practices and literary genres Tyler W Williams forcefully argues for a new approach to the literary archive demonstrating how the ways books were inscribed organized and used can tell us as much about their meaning and significance as the texts within them This book sets out a novel program for engaging with the archive of Hindi and of South Asian languages more broadly at a moment when much of that archive faces existential threats *Edmund Spenser* J. B.

Lethbridge,2006 This is a collection of wide ranging papers on Edmund Spenser including criticism on the Shepheardes Calender Spenser s rhymes his impact on Louis MacNeice the medieval organizations of the Faerie Queene on the Mutabilite Cantos Temperance in Book II and Friendship in Book IV Written by younger as well as by well established scholars the contributors move quietly away from theoretically dominated criticism and emphasize the importance of historical criticism both breaking new ground and recuperating neglected insights and approaches The introduction describes and defends the current trend towards a renewed historical criticism in Spenser criticism The papers contribute to our knowledge of Spenser s life as well as to our understanding of his poetry J B Lethbridge lectures at the English seminar at Tübingen University

Writing Tamil Catholicism Margherita Trento,2022-05-02 In Writing Tamil Catholicism Literature Persuasion and Devotion in the Eighteenth Century Margherita Trento explores the process by which the Jesuit missionary Costanzo Giuseppe Beschi 1680 1747 in collaboration with a group of local lay elites identified by their profession as catechists chose Tamil poetry as the social and political language of Catholicism in eighteenth century South India Trento analyzes a corpus of Tamil grammars and poems chiefly Beschi s T mp va i alongside archival documents to show how by presenting themselves as poets and intellectuals Catholic elites gained a persuasive voice as well as entrance into the learned society of the Tamil country and its networks of patronage This project has received funding from the European Union s Horizon 2020 research and innovation programme under the Marie Skłodowska Curie grant agreement No 840879 **Gender and Memory in the Global Age** Anna Reading,2016-09-08 This book asks how 21st century technologies such as the Internet mobile phones and social media are transforming human memory and its relationship to gender Each epoch brings with it new media technologies that have transformed human memory Anna Reading examines the ways in which globalised digital cultures are changing the gender of memory and memories of gender through a lively set of original case studies in the global age The study analyses imaginaries of gender memory and technology in utopian literature it provides an examination of how foetal scanning alters the gendered memories of the human being Reading draws on original research on women s use of mobile phones to capture and share personal and family memories as well as analysing changes to journalism and gendered memories focusing on the mobile witnessing of terrorism and state terror The book concludes with a critical reflection on Anna Reading s work as a playwright mobilising feminist memories as part of a digital theatre project Phenomenal Women with Fuel Theatre which created live and digital memories of inspirational women The book explains in depth Reading s original concept of digitised and globalised memory global memory and suggests how the scholar may use mobile methodologies to understand how memories travel and change in the global age **Among Digitized Manuscripts. Philology, Codicology, Paleography in a Digital World** L.W.C. van Lit,2019-10-29 Working with manuscripts has become a digital affair But are there downsides to digital photos And how can you take advantage of the incredible computing power you have literally at your fingertips Cornelis van Lit explains in detail what happens when manuscript studies meets digital

humanities In Among Digitized Manuscripts you will learn why it is important to include a note on the photo quality in your codicological description how to draw collect and publish glyphs of paleographic interest what standards such as TEI and IIIF to abide by when transcribing a text how to write custom software for image recognition and much more The leading principle is that learning a little about computers will already be of great benefit **Manuscript, Print and Memory** Eva Maria Wilden, 2014-11-10 The ancient Tamil poetic corpus of the Ca am The Academy is a national treasure for Tamilians and a battle ground for linguists and historians of politics culture and literature Going back to oral predecessors probably dating back to the beginning of the first millennium it has had an extremely rich and variegated history Collected into anthologies and endowed with literary theories and voluminous commentaries it became the centre piece of the Tamil literary canon associated with the royal court of the Pandya dynasty in Madurai Its decline began in the late middle ages and by the late 17th century it had fallen into near oblivion before being rediscovered at the beginning of the print era The present study traces the complex historical process of its transmission over some 2000 years using and documenting a wide range of sources in particular surviving manuscripts the early prints the commentaries of the literary and grammatical traditions and a vast range of later literature that creates a web of inter textual references and quotations *Publications of the Modern Language Association of America* ,2009 Semeia : an Experimental Journal for Biblical Studies ,1995 An experimental journal for Biblical criticism Faith and Contexts: Selected essays and studies, 1952-1991 Walter J. Ong, 1992 Collects 13 writings of the distinguished Jesuit scholar on topics ranging from Ong s 1947 study of Wit and mystery a reevaluation in medieval Latin hymnody to 1996 reflections on faith and cosmos and information communication interactions **Renaissance Et Réforme** ,1994 Renaissance and Reformation Toronto Renaissance and reformation colloquium, 1994 **Yale Journal of Law & the Humanities** ,1999 *Media, Consciousness, and Culture* Bruce E. Gronbeck, Thomas J. Farrell, Paul A. Soukup, 1991-05 This book explores relationships among consciousness orality and literacy and culture an area of study in which the work of Walter Ong is integral Essays are constructed around notions articulated and argued for by Ong but then extended into new territories by other specialists in the fields he touches While all of the essays involve the study of media consciousness and culture to some degree voice a primary medium of communication receives special attention as do the effects of writing print and television in particular circumstances for example a media ecology of Iran today describes the interplay of primary orality of illiterate people secondary electronic orality and print *Journal of the Institute of Romance Studies* ,2003 **Saltwater** Mary Eyring, 2025-02-17 Death is easy to locate in the archives of early America Grief is not so easily pinned down Yet it was a near constant companion for the men and women that settled in what is now New England Their lives were a kaleidoscope of small scale tragedies that suffused and colored everyday experiences This pervasive suffering was exacerbated by unfamiliar environments and exposure to the anguish of Indigenous and Black Americans unsettling well worn frameworks to produce new dimensions of everyday grief

Mary Eyring traces these fleeting often mundane glimpses of grief in the archives a note about a sailor maimed during a whaling voyage the hint of a miscarriage in a court record the suggestion of domestic violence within a tract on witchcraft a house sent up in flames at the opening of a captivity narrative to show how the cumulative weight of grief created a persistent mood that influenced public and private affairs in sweeping ways largely unexamined by previous scholars With piercing insights and evocative prose Eyring follows grief across generations and oceans to reveal a language of suffering understood and shared across diverse early American communities Subject Guide to Books in Print ,1996 **Faith and Contexts: Additional studies and essays, 1947-1996** Walter J.
