I have been playing the Mists of Pandaria Expansion pack and got over several characters to level 90 perfecting my questing routes each time I went through it. I have a very extensive understanding of the level 85-90 zones (The Jade Forest, Valley of the Four Winds, Krasarang Wilds, Kun-Lai Summit, Townlong Steppes, Dread Wastes, and Vale of Eternal Blossoms), and have developed full 85-90 horde & alliance leveling guides that you can use to quickly breeze right through these zones with absolutely no confusion at all.

#### **More info about me:**

I either play a male character named Mancow or a female character named Joana. In the past I have been first to 60 on 6 different servers, one of my goals with World of Warcraft is to get to the end level cap on new servers with the least amount of /played time possible, this means each time I level up through WoW I have been revising my routes in order to achieve a better /played time. I have achieved 4 days 20 hours /played time to 60 (years ago now), this was done on the JubeiThos realm. I have this entire 4 day 20 hour run RECORDED, the whole thing is recorded and you can see this video for free on my [about me](#) page!
