## **Kodanshas Effective Japanese Usage Dictionary:**

Joyce Yumi Mitamura, Yasuko Kosaka Mitamura, 1997 This approach to learning the basic components of kanji demonstrates simply how a finite number of parts combine into a wide variety of characters Everyone agrees that it is possible to learn to speak Japanese in a reasonable amount of time but no one has ever said that about reading and writing it It is widely held that spoken and written Japanese require separate efforts by the student as if these two aspects were in fact distinct languages A first step toward alleviating this situation was taken by Yasuko Mitamura in 1985 with the publication of *Let's Japanese Core Words and Phrases* Kakuko Shoji, 2015-08-19 Some Japanese words and phrases even though they lie at the core of the language forever elude the student's grasp They are not explained satisfactorily in dictionaries or textbooks for the simple reason that they cannot be conveniently defined *Japanese Core Words and Phrases* brings these recalcitrants to bay The book is divided into two parts each of which is arranged in alphabetical order The first part is devoted to words indicating physical as well as psychological distance roughly equivalent to this that that over there and where but quite different in usage Physical distance is covered in most textbooks but psychological distance every student's nemesis is not The second part of the book covers a variety of idiomatic expressions many of which appear in Japanese proficiency tests Each entry word or phrase is not simply explained but exemplified in sentence form clarifying its meaning in the case of many students for the very first time *Japanese Core Words and Phrases* has a great deal to offer the beginning student and much to offer the intermediate student Little more can be asked of a book on the Japanese language Previously published in the Power Japanese series as *Core Words and Phrases Things You Can't Find in a Dictionary* *The Kodansha Kanji Synonyms Guide* Jack Halpern, 2018-02-06 A groundbreaking bilingual kanji thesaurus that provides intermediate and advanced level users with complete precise guidance on the distinctions between characters of similar meanings The *Kodansha Kanji Synonyms Guide* is the first ever reference work to group together kanji characters that are related in meaning but different in detail Arranged alphabetically by concept these groupings let users focus on the often subtle differences and similarities between them Like *The Kodansha Kanji Learner's Dictionary* and all of Jack Halpern's previous publications *The Kodansha Kanji Synonyms Guide* is an innovative authoritative and impeccably prepared resource that helps Japanese language learners deepen their knowledge of written Japanese and provides educators scholars writers and translators with an invaluable reference tool **Essential Japanese Vocabulary** Akira Miura, 2013-08-20 This is a clear simple and compact guide to colloquial everyday Japanese Acquire basic proficiency in spoken Japanese A streamlined efficient approach Perfect for self learners or classroom use Includes kanji and kana *Essential Japanese Vocabulary* teaches all the Japanese grammar you need to speak and understand simple spoken Japanese It covers only what is essential which provides an efficient way for learners who have limited time to gain basic proficiency and begin to communicate naturally with Japanese language speakers Intended for both self study and classroom use the guide offers a practical course in

colloquial Japanese but leaves aside forms that are unnecessary or little used as well as those that are more important for written Japanese In short chapters it helps the user understand the logic of Japanese grammar while its straightforward explanations and clear examples make learning as easy as possible The book includes a glossary of grammatical terms and an index as well as appendixes on Japanese pronunciation and verb conjugation In a focused and convenient approach Essential Japanese Vocabulary is an indispensable tool for beginners just starting to learn Japanese or a handy aid for more experienced learners who wish to refresh their knowledge
