

Destiny

Bishop is incomparably the best support class in the game, enhancing party members' damage to unmatched levels and providing exceptional healing and support to ensure the party's survival. The class can also inflict repetitive damage itself, making it highly sought after for all endgame parties.

Guide & Credits

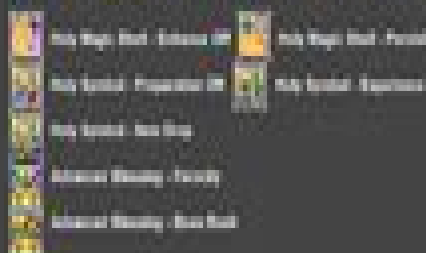

Please note that this Bishop guide is **not** canon.

Comprehensive Bishop Guide (and source for the information) written by **Angela** of the Return.

Check the class shown for the link to the guide.

Infographic created by **Selenia** of the Return.

Hyper Passives

Most Bishops will prefer to use Holy Symbol - Experience while leveling.

V Skill: Trinodes

Angel Ray, Heaven's Door / Fountain of Vengeance, Genesis / Triumph Feather

Big Bang, Heal / Angelic Wrath, Bahamut

V Skill: Level Priority

Unrelenting Memory + Divine Protection + Angel of Balance + Penetrator + Male Overhaul + Evilness's Blessing + Benediction

Many Overhaul has breakpoints. It is only priority when a Bishop is close to a breakpoint. Benediction itself only increase duration. Despite this priority list, it is still recommended generally to level the skills slower early. Good players may consider prioritizing Unrelenting Memory then focus on level Overhaul instead of skills.

Inner Ability

+1 Attack Speed
 30% Buff Duration
 10% Boss Damage

This Inner Ability can be very expensive to obtain. Many Bishops opt for alternatives if they obtain them first, either voluntarily or until they have the resources to craft.

- 60% Buff Duration first long, instead of +1 Attack Speed.
- 8% damage to mobs with abnormal status, instead of 10% Boss.
- 10% Drop Rate or 10% Area instead of 10% Boss.

Burst Rotation

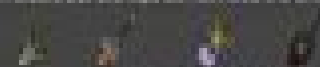

In solo play, Bishops generally play to two minute classes, using two minute cooldown Benediction and Angel of Balance. Even at the appropriate toggles and Decent skills are already on, the Bishop's main goal looks something like this:

Bishops can adjust the cooldown of Benediction and Angel of Balance from three minutes to two by using the skill again within 1s of first activation (at the cost of duration).

Weapon & Secondary

Always use a **Staff**. Wands provide 0% Critical Rate at the cost of some Magic Attack, but Bishops do not need the critical rate.

For your secondary, use a **Delmas Sage Shield** which can be crafted.
