Manual Lens For Sony A7:

Sony a7 Series Brian Smith, 2015-08-12 Now that you've bought the amazing Sony a7 series camera you need a book that goes beyond a tour of the camera's features to show you exactly how to use the camera to take great pictures. With Sony a7 Series From Snapshots to Great Shots you get the perfect blend of photography instruction and camera reference that will take your images to the next level. Beautifully illustrated with large vibrant photos, this book teaches you how to take control of your photography to get the image you want every time you pick up the camera. Follow along with your friendly and knowledgeable guide, Pulitzer Prize winning photographer and author Brian Smith, and you will learn the top ten things you need to know about shooting with the Sony a7 series cameras. Learn to use the camera's advanced camera settings to gain full control over the look and feel of your images. Master the photographic basics of composition, focus, depth of field, and much more. Learn all the best tricks and techniques for getting great action shots, landscapes, and portraits. Find out how to get great photos in low light. Learn the basics behind shooting video with your a7 series camera and start making movies of your own. Understand the nuances of your menu settings and how to customize your camera. Learn more about lens mount, adapters, creative compositions, and accessories through three downloadable bonus chapters. Grasp all the concepts and techniques as you go with assignments at the end of every chapter. And once you've got the shot, show it off. Join the book's Flickr group, share your photos, and discuss how you use your camera to get great shots at flickr.com/groups/sonya7a7rfromsnapshotstogreatshots.

Sony A7 / A7R Brian Smith, 2014 It is intended for amateurs to semi-professionals who want to jump into photography with a camera that combines compact size with the performance of a high-end DSLR. While the camera manual explains what the camera can do, it doesn't show exactly how to use the camera to create great images. That's where Sony A7 A7R From Snapshots to Great Shots comes in. Starting with the top ten things users need to know about the camera, author Brian Smith carefully guides readers through the operating features. Readers get practical advice from a pro on which settings to use when, great shooting tips, and end-of-chapter assignments. From Snapshots to Great Shots is a beautiful how-to photography series that provides the perfect blend of instruction, inspiration, and reference for specific camera models and photography concepts.
