Jade Green Phyllis Reynolds Naylor, 2000-02 While living with her uncle in a house haunted by the ghost of a young woman recently orphaned Judith Sparrow wonders if her one small transgression has caused mysterious happenings

Monstrous Bodies June Pulliam, 2014-08-08 Recent works of young adult fantastic fiction such as Stephenie Meyer's Twilight Saga have been criticized for glamorizing feminine subordination But YA horror fiction with female protagonists who have paranormal abilities suggests a resistance to restrictive gender roles The monstrous Other is a double with a difference a metaphor of the Western adolescent girl pressured to embody an untenable doll like feminine ideal This book examines what each of three types of female monstrous Others in young adult fiction the haunted girl the female werewolf and the witch has to tell us about feminine subordination in a supposedly post feminist world where girls continue to be pressured to silence their voices and stifle their desires *Ghosts in Popular Culture and Legend* June Michele Pulliam, Anthony J.

Fonseca, 2016-09-26 With entries that range from specific works to authors folklore and popular culture including music film television urban legend and gaming this book provides a single volume resource on all things ghostly in the United States and in other countries The concept of ghosts has been an ongoing and universal element in human culture as far back as recorded history can document In more modern popular culture and entertainment ghosts are a popular mainstay from A Christmas Carol and Casper the Friendly Ghost to The Amityville Horror Ghostbusters Poltergeist The Sixth Sense and Ghost Whisperer This book comprehensively examines ghost and spirit phenomena in all its incarnations to provide readers with a holistic perspective on the subject It presents insightful information about the contribution of a specific work or author to establish or further the evolution of ghost lore rather than concentrating solely on the film literature music or folklore itself The book focuses on ghosts in western culture but also provides information about spirit phenomena and lore in international settings as many of the trends in popular culture dealing with ghosts and spirits are informed by authors and filmmakers from Germany Japan Korea and the United Kingdom The writers and editors are experts and scholars in the field and enthusiastic fans of ghost lore ghost films ghost hunting and urban legends resulting in entries that are informative and engaging and make this the most complete and current resource on ghost and spirit lore available **Phyllis Reynolds**
