JEFFERY B. BOWENS, 2012-01-27 The Prosperity Gospel has been one of the most talked about discussions of the 21st century particularly within the Christian Community The battle line has been drawn by prominent theologians influential scholars pundits and televangelists alike who are on different sides of this debate and no one is conceding ground to anyone else The narrow view simply places emphasis and focus on a more capitalistic view of prosperity such as exquisite homes fashionable wardrobes excessive wealth expensive cars material and temporal possessions Things which are tangible and are seen have come to symbolize for many prosperity and achieving the American dream On the other hand the broader perspective of prosperity is associated with possessing good health accomplishing one's goals experiencing a changed life having a healthy home life seeing others become productive members of society and maintaining a perpetual fellowship with the creator Wherefore this material will help the reader to be more distinct and precise in defining the different nuances of prosperity from a historical and theological perspective **Strong's Exhaustive Concordance of the Bible** James Strong, 2007 Allows the reader to easily find all biblical occurrences of a word in the King James Version points the reader to the underlying Hebrew and Greek words using the Strong's numbering system updated Hebrew and Greek dictionaries give brief definitions of each word of the original languages Cover *King James Bible Word Book* Martin Manser, 2002-04-01 A one of a kind resource for Bible word studies This entertaining and informative book explains everyday expressions and curious words and their origin in the KJV The text gives details on the original meanings and when and where they were used in the Bible Gives the fascinating and often humorous stories behind hundreds of contemporary phrases and expressions including such sayings as the blind leading the blind by the skin of my teeth a fly in the ointment and many others that will surprise people with their biblical

Revelation Gerald McDaniel, 2018-02-09 One of the things that this author has noticed concerning other commentators on the book of Revelation is that typically many brilliant authors who normally would write wonderful information on other parts of the Bible would throw the simple guidelines on how to interpret the Bible out the window when coming to the book of Revelation For some reason many commentators would move the entire book of Revelation into figurative language and totally miss what God is telling us in the book of Revelation Please see another book by this author How to Study the Bible for Yourself which contains and explains the ten laws of hermeneutics Please read this book Revelation very carefully and with much prayer
