Read the texts in the boxes and number them from 1 to 8 to sequence the fairy tale

There lived a giant and his wife. Jack wanted some food from his wife and she gave him some milk and bread. While he was eating, the giant came home. Jack was terrified. He hid himself inside. Then he saw the giant take out sacks of gold.

When the giant fell asleep, Jack took the magical harp and he was about to leave. Suddenly, the magic harp began shouting and woke his master up. The giant saw Jack with the harp and ran after him. Fortunately, Jack was too fast for him.

Jack and his mother were very poor. She told Jack to take their only cow to the market and sell it. On the way to the market he met a man. He wanted to buy the cow and offered to give Jack five magic beans for it. Jack took the beans and gave the cow to the man.

While he was eating, the giant returned. Jack got scared and hid under the bed. The giant took out a hen that laid golden eggs. When the giant fell asleep, Jack took the hen and climbed down the beanstalk. Jack's mother was very happy with him.

After the giant had taken the hen, Jack went back to his mother. She was very happy to see him. Jack told her about the golden eggs and the magic beans. His mother was very surprised. She told Jack to be careful and not to tell anyone about the magic beans.
