The Jaguar XJ-S presents to the world a shape so graceful and a level of luxury so complete that the car's formidable power plant and athletic handling capabilities may surprise you. An electronic ignition system unleashes the only production V-12 engine available in America. Twelve short stroke, small bore pistons pulse in silent harmony and the car simply flows forward in an uninterrupted surge of power. The result is addictive—a feeling that there are no limits at all to what this machine can do.

The precision of the S-type's power rack and pinion steering and four wheel independent suspension produces exceptional directional accuracy and stability in turns. The braking is smooth and decisive, thanks to power disc brakes on all

four wheels. The result is a car that is responsive in traffic and exhilarating on winding country roads. In its unique blending of very high performance with great creature comforts, silence and smoothness, the S-type is perhaps the most seductive GT machine in the world. The XJ-S driver is surrounded by opulence: creamy leather, rare elm burl veneers and an impressive array of electronic accessories including cruise control, trip computer, AM/FM stereo radio with cassette player, and more—all standard. Come drive this unique blending of luxury, finesse and power. For the name of the dealer nearest you, call this toll free number: (800) 447-4700. Jaguar Cars Inc., Lenexa, N.J. 07605.
