

**PHILIPS** | Jamie Oliver

This blender is a cut above the rest. The jar is made from thick glass rather than plastic, so it's strong, easy to clean and doesn't absorb smells or colours. It comes with two speeds and can pulse, so it does everything you need it to while still being really simple to use. The titanium coated blades are also detachable, which makes cleaning quick and easy.

"Blenders don't need to be complicated - it's basically all about speed. That's what combines the flavours and gives you smooth textures. I use mine for everything from batters and sauces, to soups and smoothies."
