**Jennie Gerhardt** Theodore Dreiser, 2021-02-28 The spirit of Jennie who shall express it This daughter of poverty who was now to fetch and carry the laundry of this distinguished citizen of Columbus was a creature of a mellowness of temperament which words can but vaguely suggest There are natures born to the inheritance of flesh that come without understanding and that go again without seeming to have wondered why Life so long as they endure it is a true wonderland a thing of infinite beauty which could they but wander into it wonderingly would be heaven enough Opening their eyes they see a conformable and perfect world Trees flowers the world of sound and the world of color These are the valued inheritance of their state If no one said to them Mine they would wander radiantly forth singing the song which all the earth may some day hope to hear It is the song of goodness Caged in the world of the material however such a nature is almost invariably an anomaly That other world of flesh into which has been woven pride and greed looks askance at the idealist the dreamer If one says it is sweet to look at the clouds the answer is a warning against idleness If one seeks to give ear to the winds it shall be well with his soul but they will seize upon his possessions If all the world of the so called inanimate delay one calling with tenderness in sounds that seem to be too perfect to be less than understanding it shall be ill with the body The hands of the actual are forever reaching toward such as these forever seizing greedily upon them It is of such that the bond servants are made In the world of the actual Jennie was such a spirit From her earliest youth goodness and mercy had molded her every impulse Did Sebastian fall and injure himself it was she who struggled with straining anxiety carried him safely to his mother Did George complain that he was hungry she gave him all of her bread Many were the hours in which she had rocked her younger brothers and sisters to sleep singing whole heartedly at times and dreaming far dreams Since her earliest walking period she had been as the right hand of her mother What scrubbing baking errand running and nursing there had been to do she did No one had ever heard her rudely complain though she often thought of the hardness of her lot She knew that there were other girls whose lives were infinitely freer and fuller but it never occurred to her to be meanly envious her heart might be lonely but her lips continued to sing When the days were fair she looked out of her kitchen window and longed to go where the meadows were Nature's fine curves and shadows touched her as a song itself There were times when she had gone with George and the others leading them away to where a patch of hickory trees flourished because there were open fields with shade for comfort and a brook of living water No artist in the formulating of conceptions her soul still responded to these things and every sound and every sigh were welcome to her because of their beauty Jennie Gerhardt Theodore Dreiser, 2021-05-03 Jennie Gerhardt is a 1911 novel by Theodore Dreiser Jennie Gerhardt Illustrated Theodore Dreiser, 2021-03-24 Jennie Gerhardt is a 1911 novel by Theodore Dreiser **Jennie Gerhardt** Theodore Dreiser, 2006-07-11 Regarded as one of Dreiser's best novels Jennie Gerhardt is here recaptured as it was originally written restoring it to its complete unexpurgated form *Jennie Gerhardt* Theodore Dreiser, 1991 Dreiser's second novel and his own personal
