Jesus Saves Darcey Steinke:

Jesus Saves Darcey Steinke, 1999-01-13 Set in the strip malls and duplexes on the back side of suburbia the story of two girls follows the adventures Ginger a troubled minister's daughter and Sandy Patrick who has been abducted from summer camp Reprint NYT LJ K Milk Darcey Steinke, 2007-04-03 Mary a new mother is devoted to her child but feels abandoned by her husband a grief she shares with her old friend Walter a gay priest wrestling with his own demons and John a monk who has left the monastery in search of more earthly experiences *Easter Everywhere* Darcey Steinke, 2008-03-18 *Easter Everywhere* is a rare literary accomplishment a beautifully crafted riveting personal story with a huge emotional impact as Steinke chronicles her struggles with a childhood religion and her slow process toward a living faith **Sister Golden Hair** Darcey Steinke, 2014-09-22 It's the summer of 1972 and girlhood has never been more fraught but Darcey Steinke captures all of it with an intimate startling grace When Jesse's family moves to Roanoke Virginia in the summer of 1972 she's twelve years old and already mindful of the schism between innocence and femininity the gap between childhood and the world of adults Her father a former pastor cycles through spiritual disciplines as quickly as he cycles through jobs Her mother is chronically dissatisfied glumly fetishizing the Kennedys and anyone else who symbolizes status and wealth The residents of the Bent Tree housing development may not seem like beacons of the secret knowledge that Jesse is looking for but they're all she's got Her neighbor tans on the front lawn and tells tales of her married lover her classmate playacts being a Bunny at Hugh Hefner's Playboy Club the boy she's interested in fantasizes about moving to Hollywood and befriending David Soul In the midst of her half understanding Jesse finds space to set up her room with her secret treasures a Venus Flytrap her Cher 45s and *The Big Book of Burial Rites* But outside await new sexual mores muddled social customs and confused spirituality It's a terrifying time in the shadow of Manson and the hangover from the idealistic sixties when alienation overtakes liberation Girlhood has never been more fraught than in Jesse's telling its expectations threatening to turn at any point into delicious risk or real danger Darcey Steinke captures all of this with an intimate startling grace **The Gospel According to John**, 1999 The publication of the King James version of the Bible translated between 1603 and 1611 coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English language literature in history Now world class literary writers introduce the book of the King James Bible in a series of beautifully designed small format volumes The introducers passionate provocative and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance Suicide Blonde Darcey Steinke, 2019-01-03 Jesse is a twenty nine year old adrift in San Francisco's demi monde of sexually ambiguous drug taking outsiders desperately trying to sustain a connection with her bisexual boyfriend She becomes caretaker and confidante to Madame Pig a grotesque besotted recluse Jesse also meets Madison Pig's daughter or lover or both who uses others' desires for her own purposes and who leads Jesse into a world beyond all

boundaries As startling original and vital as it was when first published *Suicide Blonde* is an intensely erotic story of one young woman's sexual and psychological odyssey and a modern cult classic *I Married My Mother-In-Law* Ilena Silverman, 2007-01-02 In laws are the inescapable consequence of marriage Whether they're kindly or malevolent helpful or crazy they're unavoidable The relationship can be traumatic rewarding maddening and hilarious sometimes all at once In *I Married My Mother in Law and Other Tales of In Laws We Can't Live With and Can't Live Without* Ilena Silverman brings together a collection of talented successful writers who plumb their own experiences for extraordinary and unexpected wisdom about this prickly and often misunderstood relationship We hear from some of today's best authors including Michael Chabon who writes movingly about the lessons he learned from his first father in law Kathryn Harrison whose relationship with her father in law was far more rewarding and less complicated than the one she had with her own father Matt Bai who struggled across cultural barriers to learn more about the lives of his reserved Japanese American in laws Martha McPhee who explores the difficulty in fully knowing her husband without ever having known his parents Susan Straight who recounts her experience as the first white woman to marry into her African American husband's extended family and Ayelet Waldman who ponders the competition between wives and their mothers in law for the attention of their husbands' sons By turns blunt and poignant horrifying and touching the essays reflect the rich complexities of these bewildering and life-changing relationships Remarkable for both the quality of its prose and the scope of its emotional insight *I Married My Mother in Law* is an unforgettable anthology about the struggles and rewards of life with our other families *Bomb*, 1999 *Bitch*, 2007
