Jekyll Hyde 2 Lauren Stewart:

Unearthed Lauren Stewart, 2015-02 What would you give up for freedom Everything Even if it wasn't yours For three years Keira lived in hell on earth kept and tortured by a psychopath He should've killed her Because now she's looking for payback to see his face when she shoves a stake into his chest to feel his dust under her boot Then she'll finally be free of everything but the memories scars and nightmares Unfortunately when a demon starts hunting the same prey Keira's life becomes less about getting revenge and more about fighting temptation For three tours above the earth's crust Davyn has been as close to heaven as a demon can be In a few weeks he'll go home to be reforged stripped of all the humanity he's accumulated and reminded of exactly what he is Of course in the depths of hell nobody finds themselves through group therapy and happy pills It's not all bad news though before he goes at least he gets to kill a vampire Maybe a human too if that stubborn little hunter keeps getting in his way After all a nice ass can only buy so much of Davyn's patience Two people from opposite sides of a war will discover the price of freedom and what they're willing to pay for it But in the Heights nothing is ever fair For something they both want one of them will pay with their eternity The Heights not only protects the secrecy of vampires shifters demons angels and other supernaturals it protects the humans unaware of the world hidden within their own UNEARTHED is the second book in this series and may prove confusing for those who haven't read the first So I suggest you start with UNSEEN Vol 1 Thank you and happy reading
