Melbourne Good Food Guide 2007:

Icebergs Dining Room and Bar 2002-2022 Maurice Terzini, 2022-11-30 Celebrating 20 years of Icebergs Dining Room and Bar the food cocktails music art and personalities that have celebrated one of Sydney's most iconic restaurants Icebergs Dining Room and Bar is an icon standing sentinel over Bondi Beach and the powerful Pacific Ocean Despite the beauty the path from concept to restaurant was not always straightforward What Maurice Terzini was asking people to see wasn't there and he wanted to keep it that way The ocean was to be the hero the rest in essence was to remain invisible A place where conversations dominate the food where art music and beauty all share a place at that table Of course the food and drink have to be world class as do the design and service To be on par with that ocean you need to be irreproachable It's been challenging but it's also been the greatest of honours This book tells the story of the past 20 years of that custodianship There are tales of people personalities and the influences that shaped the idea a collection of our best known recipes from two decades of head chefs cocktails from our award winning bar and playlists from summers gone by See the restaurant through the eyes of acclaimed architect Carl Pickering peer into the minds of six of Australia's best chefs from Karen Martini to Monty Koludrovic read about why a great wine list is about so much more than the wine and then take a little taste of the indefinable magic Maurice's treatise on his signature rules of hospitality There is so much that goes into making a restaurant disappear much of it enclosed within these pages

Exploring Community Festivals and Events Allan Jepson, Alan Clarke, 2014-10-17 The development of the festival and event industry has seen large scale growth and extensive government support as a result of objectives to enhance and project the image of place and leverage positive sponsorship and regeneration opportunities As we move deeper into austerity measures prompted by economic recession community festivals and events as a sacred or profane time of celebration can be considered even more important than ever before This book for the first time explores the role and importance of community culture and its impact through festivals and events Split into two distinct sections the first introduces key themes and concepts contextualises local traditions and culture and investigates how festivals and events can act as a catalyst for tourism and create a sense of community It then questions the social and political nature of festivals and community events through examining their ownership The second section focuses on communities themselves seeking to examine and discuss key emerging themes in community event studies such as the role of diaspora imagined communities pride and identity history

Food and the Self Isabelle de Solier,2013-10-10 We often hear that selves are no longer formed through producing material things at work but by consuming them in leisure leading to meaningless modern lives This important book reveals the cultural shift to be more complex demonstrating how people in postindustrial societies strive to form meaningful and moral selves through both the consumption and production of material culture in leisure Focusing on the material culture of food the book explores these theoretical questions through an ethnography of those individuals for whom food is central to their self foodies It examines what foodies do and why they do it through an in depth study of their lived experiences The book uncovers how food offers a means of shaping the self not as a consumer but as an amateur who engages in both the production and consumption of material culture and adopts a professional approach which reveals the new moralities of productive leisure in self formation The chapters examine a variety of practices from fine dining and shopping to cooking and blogging and include rare data on how people use media such as cookbooks food television and digital food media in their everyday life This book is ideal for students scholars and anyone interested in the meaning of food in modern life
